Pay Plan for the Classified Service of Jefferson Parish
Special Pay Provisions

**THE DOMENIC A. ALBANO TENURE AWARD PROGRAM**

In addition to the pay rates heretofore provided in this Plan, each employee in the classified service who received a "Meets Expectations" or higher rating on his or her annual Performance evaluation and having 2 or more years of continuous service shall be paid $25.00 for each full calendar year of such service. For purposes of this compensation, years of continuous service shall be computed as of December 31 of the year in which payment is to be made, and shall include continuous service in an unclassified position for former unclassified employees other than employees of organizations and other persons engaged on a contractual basis. This payment shall be termed a Tenure Award, shall be intended to encourage and recognize career service, and shall be payable to employees in a lump sum, annually, on the first paycheck in December. No payment shall be made for any service of less than one full year; except that, if an employee dies or retires within the last calendar quarter of his final year of service, he (or his heirs) shall be eligible for the Tenure Award that he otherwise would have received.

**REGULATIONS FOR ADMINISTRATION OF TENURE AWARD PAYMENTS**

A. The Tenure Award information shall be verified by the Payroll Office and the Personnel Department.

B. A "Meets Expectations" annual performance evaluation rating or higher for the previous year shall be the basis for qualification for the current year's Tenure Award. If the employee was eligible for an annual performance evaluation and one was not completed as required in the Personnel Rules, the non-completion of the annual performance evaluation shall have the force and effect of a "Meets Expectations" annual performance evaluation rating for the purpose of qualifying for the Tenure Award. In accordance with Personnel Rule XII, Section 1.6, annual performance evaluations are not appealable. Therefore, the loss of the current year's Tenure Award based upon an unsatisfactory annual performance evaluation in the previous year is not appealable.

C. Employees regularly employed on a part time basis shall be entitled to a pro rata Tenure Award on a basis equivalent to their regular basis of employment; except that no one working less than half time and no persons paid on an hourly, daily, or project basis shall be entitled to Tenure Award. C.O.E. and similar School-project employment shall not count for Tenure purposes.

D. Any employee who is separated from Parish service before December 1 by reason of resignation, dismissal, or layoff is not eligible for Tenure Award. If an employee retires within the last quarter of a year (either under the Parish Retirement Systems and/or Social Security provisions), he shall be entitled to receive Tenure Award just as if he had completed the full year. If an employee dies within the last quarter of a year, Tenure Award shall be made to his heirs in the amount that would have been paid to the employee had he completed the year. If an employee is laid off and reemployed in accord with these rules within thirty (30) calendar days, he shall be construed to have uninterrupted service. If reemployment occurs more than thirty (30) days following layoff, the employee shall be given credit for service rendered prior and subsequent to layoff, but not for the interval of absence from duty.

E. Tenure Awards are payable on the first check in December.

F. Persons employed on or after January 6 are not eligible for a Tenure Award for the first year of their employment.

G. Any employee who is on suspension without pay or leave without pay except military leave without pay for an aggregate period of thirty (30) or more working days in any calendar year shall have deducted from his Tenure Award check for that year the amount of one full year's award ($25.00); except that, this penalty period shall be extended up to ninety (90) working days in cases resulting from on-the-job injuries. Any employee who is suspended without pay or carried on leave without pay except military leave without pay for an aggregate of sixty (60) working days or more in any one calendar year shall permanently forfeit Tenure Award ($25.00) eligibility for that year only. Employees who are separated to enter active duty with the Armed Forces of the United States and are re-employed under provisions of USERRA shall, upon their re-employment, be credited for time served in the military and paid any back tenure award(s) previously forfeited because of military service on the same basis as they would have been paid had they remained continually employed on Military Leave Without Pay during their period of service.

H. Employees who are "blanketed in" the Parish civil service under the terms of the Charter shall receive credit for continuous service rendered to the Parish prior to acquisition of civil service coverage; however, any employee who enters the Parish civil service by any other means shall not receive such prior service credit.

I. For purposes of computing tenure award credits, absence without leave shall be considered to be the same as leave without pay, and shall be combined with leave without pay.

J. When an employee changes from a less than half-time, hourly, daily or project rate employee, or from a C.O.E. or similar school-project status employee to a permanent monthly salaried employee, the date of such change shall be considered as the starting date in computing service credit for tenure award eligibility.

   In the case of an employee who has continuous service interrupted by employment on a less than half-time, hourly, daily or project rate basis, or employment on a C.O.E., or other similar school-project basis, in excess of thirty (30) calendar days in a calendar year, the employee shall receive a Tenure Award for continuous years of service prior to and subsequent to, but not for, the year(s) of service in which the interruption occurred.

(Parishwide)

**WHEREAS**, Art. VII, Sec. 14(C) of the Louisiana Constitution of 1974 provides that for a public purpose, the State and its political subdivisions may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private organization, corporation or individuals; and

**WHEREAS**, PARISH is a constitutionally and statutorily-created local political body of the State of Louisiana with the constitutional and statutory authority to contract, including entering into Cooperative Endeavor Agreements; and

**WHEREAS**, as indicated by La. R.S. 48:1651 et al., RTA is a statutorily created local political body of the State of Louisiana with a statutory authority to contract, including entering into Cooperative Endeavor Agreements; and

**WHEREAS**, PARISH and RTA are authorized to enter into this Cooperative Endeavor Agreement pursuant to La. R.S. 33:1324 which permits any parish, municipality or political subdivision of the state, or any combination thereof, to make agreements between or among themselves for purposes of mass transportation; and

**WHEREAS**, on January 11, 2023, Jefferson Parish entered into an Agreement with Clever Devices, Ltd. to create a system that allows real time Jefferson Parish Transit bus arrival and departure information to be displayed on kiosks at the Wilty Terminal; and

**WHEREAS**, Clever Devices, Ltd. provided a quote of what it would cost to also include bus arrival and departure information for the RTA buses, which also use the Wilty Passenger Terminal; and

**WHEREAS**, Clever Devices, Ltd.'s quote of $83,205.00 to the Jefferson Parish Transit Department would allow for the real time arrival and departure information for the RTA buses to be displayed on the kiosks at the Wilty Terminal; and

**WHEREAS**, RTA agreed to pay the quoted amount of Eighty-Three Thousand, Two Hundred and Five Dollars ($83,205.00) to the Jefferson Parish Transit Department for the real time arrival and departure information of its buses at the Wilty Terminal and that agreement was memorialized by a Cooperative Endeavor Agreement dated October 3, 2023 which was authorized by Resolution No. 142757 adopted on September 13, 2023; and

**WHEREAS**, through their mutual cooperation and coordination PARISH and RTA have a long history of serving the public transportation needs of the metropolitan area including the sometimes shared use of certain routes stops and terminals including the Wilty Terminal; and

**WHEREAS**, currently PARISH and RTA both make use of the Wilty Terminal in Gretna, Louisiana, which is within the jurisdiction of the City of Gretna Police Department; and

**WHEREAS**, during recent months law enforcement has observed that vagrancy-related actions that infringe on others' rights including trespassing on private property, theft, and vandalism, among others, are beginning to pressure the area in and around the Wilty Terminal and that to deter crime an increased police presence is in the best interest of the public; and

**WHEREAS**, PARISH provides security at the Wilty Terminal while its buses are running during normal operating hours of 5 a.m. and 10:30 p.m. via the City of Gretna Police Department. However, currently, RTA runs buses around the clock at the Wilty Terminal with no additional security at night; and

**WHEREAS**, the parties agree that to deter criminal activity in and around the Wilty Terminal it is necessary to add additional police details during the overnight hours of 10:30 p.m. until 5 a.m. to be reimbursed to PARISH by RTA since RTA is the exclusive user of the Wilty Terminal during those hours; and

**WHEREAS**, the public purpose of this Agreement is described as the sharing of real time bus arrival and departure times between PARISH and RTA that will be included on the kiosks at the Wilty Terminal to allow the citizens of PARISH access to important bus time information and as the sharing of security related expenses in an effort to deter crime in and around the Wilty Terminal area; and

**WHEREAS**, PARISH has a reasonable expectation of receiving a benefit or value of the sharing of real time bus arrival and departure times between PARISH and RTA and a safer transit terminal area which is at least equivalent to the RTA's continued use of the Wilty Terminal during the overnight hours wherein RTA is the exclusive user of the facility; and

**WHEREAS**, any transfer or expenditure of public funds or property is not a gratuitous donation; and
