In re: Telephonic Scheduling Conference

**MINUTE ENTRY**

Central Court Building – Courtroom 301

1:30 p.m. This is the time set for a Telephonic Scheduling Conference before Special Water Master Susan Ward Harris.

The following attorneys appear telephonically: Joe P. Sparks on behalf of the San Carlos Apache Tribe; Richard Palmer on behalf of the Tonto Apache Tribe; and Mark McGinnis and Axel Buchwalter on behalf of Salt River Project. The landowners, Mr. and Mrs. Farrier, are not present and have failed to appear.

A record of the proceedings is made digitally in lieu of a court reporter.

Mr. McGinnis addresses the Court and requests leave to intervene in this matter.

LET THE RECORD REFLECT that as discussed in the last hearing, Mr. Farrier stated that he intended to file an additional statement of claimant to claim stock watering rights. The court has reviewed Arizona Department of Water Resources files and, as of today, there is no record of Mr. Farrier's filing the claim. Mr. Farrier was also told to appear at today's hearing. Mr. Farrier has failed to appear.

Mr. Sparks addresses the Court and proposes that a suggested procedure would be to issue an order to show cause ordering Mr. or Mrs. Farrier to appear to provide good cause to the Court as to why their claim should not be dismissed.

The Court stated that this procedure would be followed.

2:56 p.m. Matter concludes.

LATER:

IT IS ORDERED granting the request of Salt River Project to intervene and counsel for Salt River Project shall be added to the court approved mailing list.
