ORDER TRANSFERRING FUNDS  
FOR PAYMENT OF THE  
SPECIAL MASTER'S EXPENSES

THIS MATTER COMING before the Court on its own motion to transfer funds from the Office of the Clerk of the Maricopa County Superior Court to the Administrative Office of the Courts ("AOC") for the purpose of compensating and paying the expenses of the Special Master appointed in this proceeding;

THE COURT FINDS that:

1. The approximate sum of \$1,135,768.59 is the balance as of June 30, 2002, of the fund of filing fees paid by claimants in this adjudication pursuant to A.R.S. section 45-254(H).
2. This money is on deposit with the Maricopa County Treasurer.
3. Pursuant to A.R.S. section 45-255(B), the Superior Court shall fix the compensation and expenses of a master who is appointed to report on legal and factual issues in this adjudication.
4. On May 8, 1990, pursuant to A.R.S. section 45-255(A), the Arizona Supreme Court appointed a Special Master for this proceeding and for the Little Colorado River Adjudication. The Special Master began his employment and began incurring expenses on May 1, 1990.

1           5. In 1995, A.R.S. section 45-255(A) was amended to provide that "The Superior Court  
2 Judge assigned to the adjudication may appoint a master or masters under Rule 53 of the Arizona  
3 Rules of Civil Procedure to report on legal or factual issues designated under a specific order of  
4 reference." This Court entered such an order on September 21, 1990, confirmed that order on  
5 April 4, 1995, and entered an order of appointment and reference on March 13, 2001.

6           6. The sum of \$1,900,137.00 has previously been transferred from the Clerk of the  
7 Maricopa County Superior Court to the AOC, which acts as the fiscal agent for the compensation  
8 and payment of expenses of the Special Master.

9           7. The AOC has requested a transfer of \$163,300.00 from the funds of filing fees collected  
10 in this adjudication and in the Little Colorado River Adjudication, to pay for compensation and  
11 expenses of the Special Master incurred in fiscal year 2002 and projected for the first half of fiscal  
12 year 2003.

13           8. The expenditure of this money for the compensation and expenses of the Special Master  
14 remains appropriate under A.R.S. section 45-255(B).

15           9. Certain expenses are directly related to the Gila River Adjudication. These expenses are  
16 the travel expenses of the settlement judge and office expenses paid solely for the benefit of this  
17 adjudication. The Court finds that, on an interim basis and in light of this year's amendment of  
18 A.R.S. section 45-255(B), payment of these expenses from the fees paid in this adjudication is  
19 reasonable. During the fiscal year ending on June 30, 2002, these expenses totaled \$2,095.30, and  
20 this amount should be transferred to the AOC.

21           10. The number of statements of claimant filed in the Gila River Adjudication is 80,650.  
22 The number of statements of claimant filed in the Little Colorado River Adjudication is 11,386. The  
23 number of statements of claimant filed in the Gila River Adjudication is approximately 88 percent of  
24

1 the total number of statements of claimant filed in both proceedings (92,036). The Court finds that,  
2 on an interim basis, allocation of the compensation and expenses of the Special Master based on the  
3 proportion of claims filed in both adjudications is reasonable. The sum of \$34,633.91, which is  
4 owed for common expenses incurred in fiscal year 2002, should be transferred to the AOC. The  
5 sum of \$91,000.00, which is approximately 88 percent of the expenses projected for the first half of  
6 fiscal year 2003, should be transferred to the AOC.

7 11. Final determination of the basis for allocating the Master's compensation and expenses  
8 between the two adjudications, however, should be made at a later date.

9 12. The transfer of \$127,700.00 to the AOC is timely and in accordance with law.

10 IT IS ORDERED:

11 1. The Clerk of the Maricopa County Superior Court shall immediately transfer the sum of  
12 **\$127,700.00** from the account maintained for the filing fees in this proceeding to the Administrative  
13 Office of the Courts, Attn: Ms. Candy Frazier.

14 2. The AOC shall establish adequate and necessary procedures to account for these funds  
15 and to ensure that the funds are used only for the compensation and expenses of the Special Master  
16 as fixed by this Court.

17 3. This transfer is not a final determination of the question of what proportion of the Special  
18 Master's compensation and expenses should be paid from the filing fees collected in this  
19 adjudication. The Court specifically reserves final determination of the basis for allocating the  
20 Master's compensation and expenses between the two adjudications.

21 DATED this 28th day of August 2002.
