In Re the General Adjudication
of All Rights to Use Water in
The Gila River System and Source

MINUTE ENTRY

The Court has received Wayne D. Klump's Motion to Remove Special Master Schade and Sanction ADWR [and] Objection to Special Master's Report in RE: PWR 107 Claims. To the extent this filing constitutes an objection, it will be treated along with other filed objections.

As to Mr. Klump's request regarding Special Master Schade and the Arizona Department of Water Resources ("ADWR"), the Court does not understand the basis for relief or relief requested with respect to ADWR and finds that the request relating to the Special Master has not been filed in accordance with the requirements of Arizona Rule of Civil Procedure 42(f)(2) and A.R.S. §12-409. Accordingly,

IT IS ORDERED:

1. Mr. Klump shall file a supplemental brief, on or before **October 31, 2007**, setting forth the factual and legal basis for entry of his requested order relating to ADWR. If the Court determines that the brief raises a legitimate issue, it will direct that ADWR respond and/or set a hearing.
2. Denying Mr. Klump's request to remove the Special Master without prejudice to his ability to file a new motion that is in compliance with applicable Arizona procedural rules and statutes.

IT IS FURTHER ORDERED signing this minute entry as an Order of the Court.
