MINUTE ENTRY

The Court has reviewed the comments filed in response to its December 16, 2010 invitation to the parties to weigh in with respect to the best method to consider the comments and objections filed in response to the Arizona Department of Water Resource's Subflow Zone Delineation Report for the San Pedro River Watershed. To promote efficient and fair consideration of the report, the hearing currently scheduled on March 15, 2010 will consist of a pre-trial conference to determine the procedures to be used at the subsequent evidentiary hearing, which shall be scheduled during the pretrial conference and concluded prior to May 15, 2011. Those wishing to present evidence shall prepare and file a *joint* pretrial statement, which shall include a separate summary of the substance of each witnesses' testimony (keeping in mind that direct testimony is to be presented by sworn declaration) and an estimate of testimony time, exhibits to be offered into evidence and any corresponding objection to each exhibit, and any other matters that will promote efficient consideration of the evidence. The pretrial statement should be filed and submitted prior to **March 7, 2011**.
