RESPONSES AND REPLIES

CONTESTED CASE NAME: *In re San Pedro Riparian National Conservation Area.*

HSR INVOLVED: San Pedro River Watershed Hydrographic Survey Report.

DESCRIPTIVE SUMMARY: The Special Master grants the request of the United States for an extension of time until December 7, 2009, to file responsive memoranda to the motions and statements of position concerning the two supplemental issues being briefed. This extension shall apply to all parties who may wish to file responses. The time to file replies is extended to January 22, 2010.

NUMBER OF PAGES: 2.

DATE OF FILING: November 17, 2009.

Due to an unexpected out-of-state court appearance, counsel for the United States has requested an extension of one week to file responsive memoranda to the motions and statements of position regarding the two supplemental issues being briefed. The United

States avows that counsel who filed opening memoranda or expressed an intent to file responsive memoranda do not oppose the request, but counsel expressed a preference for the same extension of time for all parties who may wish to file responses.

The Special Master finds good cause for the request. Furthermore, in order to maintain the schedule, the Special Master will extend the time to file replies by one week.

Accordingly, IT IS ORDERED:

1. Granting the request of the United States for an extension of time until **December 7, 2009**, to file responsive memoranda to the motions and statements of position regarding the two supplemental issues. This extension of time shall apply to all parties who may wish to file responsive memoranda.

2. Extending the time to file all replies to **January 22, 2010**.

DATED: November 17, 2009.
