## **MEMORANDUM OF AGREEMENT**

This Agreement, which has been executed on the \_\_\_ day of \_\_\_\_, \_\_\_\_\_, is effective on the \_\_\_ day of \_\_\_\_\_ 2020, by and between the State of Rhode Island (the “State”) and the Rhode Island Laborers’ District Council on behalf of Rhode Island Judicial, Professional and Technical Employees, Local Union 808, of the Laborers’ International Union of North America, AFL-CIO (the “Union”). The State and the Union are hereinafter referred to collectively as the “Parties.”

### **PURPOSE**

It is the purpose of this Agreement to carry out the policy of the State, as codified in Title 28 of the Rhode Island General Law, by encouraging a more harmonious and cooperative relationship between the State and the Union and to provide for the establishment of procedures for the amicable adjustment of all disputes which may arise between the State and the Union.

By means of this Agreement, therefore, the signatories hereto bind themselves to maintain and improve the present high standards of service to the citizens of the State. To accomplish this purpose, the State and the Union encourage the highest possible degree of practical, friendly and cooperative relationships between their respective representatives at all levels and give full recognition and understanding of the respective rights and responsibilities of the parties hereto.

No negotiated Settlement Agreements or Memorandums of Agreements entered into after the ratification of this Agreement will have precedential effect, amend this agreement, or provide for wage rate adjustments unless they are signed by the Director of Administration or his/her designee.

A) Notify the Union in writing of its intention six (6) months in advance of sub-contracting, and;

B) Meet with the Union prior to receiving bids or letting contracts for the purpose of discussing the problem during which discussion, the Union will be granted reasonable requested opportunities to meet with the Director of Administration or to the appropriate State officials to discuss a desirability of sub-contracting and to develop and establish a mutually acceptable plan for protecting adversely affected employees. The State's assurance in the development of such plan would be to:

  - 2) Place employees laid off on a preferred hiring list for recall;
  - 3) Prohibit the hiring of any new employees to positions which the affected employees could perform;

5.3 Employees hired into state service on or after June 29, 2014 shall not receive shift differentials for hours worked between 7 a.m. and 3 p.m. Shift differentials will only be paid in accordance with agreed upon contract language.

ARTICLE 6  
OVERTIME

6.1 It is agreed that when it becomes necessary for the efficient conduct of the business of the State, an Appointing Authority may direct or authorize overtime work.

6.2 Overtime work shall be defined as the required performance of work which is in excess of the established workweek.

6.2A Non-Standard, Non-Exempt Work Week (See Appendix A where applicable).

6.3 Time and one-half shall be paid in each and any of the following instances, and each instance shall not be dependent on any other instance, but there shall be no pyramiding or duplication of overtime.

Hours of work performed in excess of forty (40) hours and in those classes of positions which it is applicable hours of work performed in excess of thirty-five (35) hours in any week, with the following exception:

When funds become unavailable within the Department to pay cash for work performed between thirty-five (35) and forty (40) hours for employees on the thirty-five (35) hour workweek, compensatory time shall be credited to the affected employee at the rate of one and one-half times such hours. However, in any event, an employee may elect to take compensatory time in lieu of cash for the hours between thirty-five (35) and forty (40). The discharge of such compensatory time must be scheduled and approved by the Appointing Authority and cannot require the use of overtime work by other employees to cover such absence. The accumulation of such compensatory time cannot be carried over from one calendar year to another.

Any employee who accrues compensatory time must discharge such compensatory time in the same fiscal year in which it is earned. Compensatory time which is not discharged within the year that it is earned shall be paid for by the State in the last pay period of that fiscal year. Any failure by the State to make such payments within two (2) pay periods, may at the option of the Union, be referred to expedited arbitration.

6.4 A. Whenever an employee is required to work on a holiday which falls on his regularly scheduled workday, he shall be credited with the number of hours in his official work

schedule for that day, plus the number of hours actually worked at the rate of one and one-half times.

B. The terms of this paragraph apply to Independence Day, Veterans Day, Christmas Day and New Year's Day. An employee whose regular work week is Monday through Friday who works on the observance day of any such holiday shall be entitled to overtime compensation for all hours worked or a portion thereof. An employee whose regular work week includes Saturday and/or Sunday, who actually works on such a holiday when it falls on a Saturday or Sunday, may be compensated with holiday pay on the actual Saturday or Sunday worked rather than on the celebrated Monday. Such employees shall not receive holiday pay on the Monday.

6.5 Overtime work is to be made a matter of record and distributed fairly and equitably among employees eligible for and capable of performing the work in their respective work location and class of position. A record of overtime work will be furnished to the Union at the close of each pay period.

6.6 Hours which are paid for, but not actually worked, except holidays, vacation days, personal days, jury duty, and leave for death in the employee's immediate family shall not be counted as hours worked nor shall they be otherwise used in the computing of overtime compensation, as per RIGL 36-4-63, as amended.

6.7 Overtime shall be offered to employees eligible for overtime on the basis of their seniority in their classification within the work location and class of position in which they are employed. An employee offered overtime will be excused at his request, provided authorized personnel are available and willing to meet the need; and any employee so excused shall not be offered overtime work again, until his name comes up again in the seniority rotation. In the event that an insufficient number of employees within the classification and work location in

which overtime work is assigned voluntarily accept the assignment, the State may direct and require employees within the classification to perform the work. Such required overtime assignments shall be made in the reverse order of seniority.

ARTICLE 7  
LONGEVITY

7.1 Each employee shall be granted longevity increases according to the following formula:

<u>Years of Service</u>	<u>Percentage Increase on Base Rate</u>
5	5%
11	10%
15	15%
20	17.5%
25	20%

7.2 Effective July 1, 2012, notwithstanding any provision of the collective bargaining agreement to the contrary, an employee’s eligibility for longevity stipends, including the amount thereof, shall be governed by the applicable provisions of Article 8 of the FY 2012 Budget (P.L. 2011, ch. 151, art 8), as amended.

ARTICLE 8  
REORGANIZATION

8.1 Subject to the following provisions, the Union recognizes the State’s right to reorganize. The following parameters shall be followed by the parties when a reorganization is necessitated by an Executive Order or legislation.

1. The State shall notify the Rhode Island Laborers’ District Council and the affected Business Managers at least fifteen (15) calendar days in advance of notification to bargaining unit member of its intention to reorganize.

2. The Union and the State shall meet immediately to review and discuss the State's plan for such reorganization and any proposed alternatives or changes.

3. That plan shall include a thirty (30) day notification to the affected employees.

4. Affected employees shall be given the right to bid on new assignments by primary seniority.

Affected employees who have no available assignments within their classification will be offered vacant positions which the State intends to fill and which have been posted and not filled, by order of State seniority, including positions of equal pay and positions in lower classes all without loss of pay.

5. Any employee affected by reorganization who does not exercise seniority to fill any such available comparable assignment or vacancy without loss of pay will be allowed to displace the least senior employee not directly involved in the reorganization in classification within the bargaining unit. If the employee cannot displace the least senior employee in class, the employee will displace the least senior employee in any class, in the bargaining unit, which such employee is qualified and able to fill. The employee displaced shall take whatever comparable assignment or vacancy is available without loss of pay, by State seniority. The rights of the displacing employee and of the bumpsee shall be to a position in an equal or lower class, but not in a higher class.

6. In cases where an entire operation is moved from one location to another, all affected employees will be redeployed (to the new location).

7. In the event that the number of employees affected by reorganization exceeds the number of available assignments or vacancies, any layoffs will be governed by layoff/recall provisions of the applicable Collective Bargaining Agreement.

8. Reclassification of existing bargaining unit classifications must be done through negotiations between the parties.

9. Any changes in shifts and/or days off only shall not constitute a reorganization under this Section.

ARTICLE 9  
SENIORITY, PROMOTIONS, VACANCIES

9.1 It is hereby agreed that the parties hereto recognize and accept the principle of seniority within a class of position in all cases of shift preference, transfer, location assignments, days off, vacation time, holiday time, floats, personal time, layoffs, and recalls.

9.2 Effective upon the implementation of an electronic application system, Article 9.3 will be amended as follows: “All new and vacant positions to which recruitment is to be initiated shall only be posted on the State’s internet opportunities website for a period of ten (10) calendar days and notice of such vacancies shall be sent to the Union’s Executive Director and local Union Presidents or other designated officials at the time of posting via electronic means. Employees who apply for such vacancies shall do so via the State’s internet employment opportunities website. Employees shall be provided reasonable access to State computers for the purposes of reviewing and applying for online postings.”

9.3 Vacancies: A new and vacant positions shall be filled within three (3) pay periods after the bidding procedure is completed, and an employee has been selected for the position in question.

9.4 Promotion Selection: The State reserves the right to select for promotion from among the top six applicants on the promotion list from any bargaining unit covered by this Global Agreement but not necessarily from the bargaining unit where the vacancy exists. This supersedes any local contract provision which limits the selection to the top three applicants.

Where there are less than three (3) employees eligible for appointment from a certified promotional list, then any other suitable list may be used.

Where there are less than three (3) eligible employees from within the bargaining unit, an effort will be made to fill the vacancy from within the bargaining unit; however, selection shall not be mandated to be made from within said unit.

Where no list exists for certification, all new and vacant positions shall be filled from within the bargaining unit in which the new or vacant position exists, from the top three (3) State Seniority employees.

All non-competitive positions shall be filled from within the bargaining unit by the top three (3) seniority bidders. Where it is determined that all factors of the candidates for the position are equal, seniority will be the governing factor.

9.5 Employees appointed from employment or promotional lists shall serve a probationary period of six (6) months, during which time the appointing authority shall report to the Personnel Administrator every sixty (60) days concerning the work of the employee; and at the expiration of the probationary period, unless the appointing authority files with the Personnel Administrator a statement in writing that the service of the employee during the probationary period have not been satisfactory and that it is desired that he not be continued in the service, he shall receive permanent status in his classification.

9.6 The six months probationary period shall mean 130 days worked in the class of Position.

9.7 Any employee may be dismissed without recourse during the probationary period for reasons relating to the employee's qualifications or for the good of the service. It is intended that "probationary period" in the above sentence shall mean the original probation and shall not apply to the probationary period served after a promotional appointment.

9.8 Seniority is defined in the following manner: A) Primary Seniority - Length of service within a class of position. B) Secondary Seniority - Length of service within a lower class of position within this bargaining unit. C) State Seniority - Length of service for the State of Rhode Island.

9.9 Unless otherwise stated, when primary seniority is the same among employees, secondary seniority shall be used. When secondary seniority is the same among employees, state seniority shall be used.

9.10 The Executive Administrative Aide shall prepare and forward to the secretary and treasurer of the Union a seniority list of employees by class of positions. Seniority lists shall be revised when necessary and shall be prepared and posted on approved bulletin boards, showing the employee's name, class of position and seniority.

9.11 Seniority shall be considered broken for the following reasons only:

- (a) When an employee has been discharged for just cause.
- (b) When an employee voluntarily terminates his employment.
- (c) When an employee fails to respond to a recall notice.
- (d) When an employee fails to notify his departmental director of his absence from work within three (3) working days, unless extenuating circumstances prohibit such notice.
- (e) When an employee fails to renew a leave of absence.
- (f) When an employee engaged in other work without authorization while on leave of absence.
- (g) When an employee is laid off in excess of three (3) consecutive years.

9.12 Transfers. Employees may bid for a lateral transfer, the appointment shall be made from the top three primary seniority employees of the bargaining unit so bidding. Where it is

determined that all factors, of the candidates, for the position are equal seniority will be the governing factor.

Temporary transfers shall first be attempted on a voluntary basis by seniority. When there is no volunteer, involuntary temporary transfers shall affect the most junior employee in the class of position and work location from which the transfer is to originate, whom the Public Defender deems capable of performing the duties. Mileage will be paid to the transferred employee pursuant to the Travel Regulations.

9.13 In the event of layoff, employees shall be laid off in the following order according to seniority:

1. Those with temporary status
2. Those with provisional status
3. Those with probationary status
4. Those with permanent and statutory status

Two weeks' notice of layoff shall be given to the employee so affected.

In the event of recall, the order of layoff described above shall be reversed.

A probationary period shall not be required in the event of demotion.

Any employee who holds full status and has been laid off shall have his name placed on an appropriate re-employment list of three (3) years from the date of termination. Seniority shall accrue to such employee while on said re-employment list.

9.14 No provision of a LIUNA collective bargaining agreement will prohibit overtime while LIUNA employees remain on layoff.

9.15 Union Stewards, not to exceed two (2), shall be considered senior in service for layoff purposes only.

9.16 When the Public Defender exercises his/her authority to assign personnel to a county office, or other assignments, he/she will take into consideration the employee's seniority, place of residence, previous work experience, and such factors as he/she may deem to be appropriate.

9.17 The parties acknowledge that the position of part-time data entry aide was created to serve special temporary assignment requirement and that the Public Defender and his/her designee shall have the authority to assign employees classified as part-time data entry aides to any office location, without restriction and said action shall not violate Sections 9.12 and 9.16. However, said employees shall qualify for travel reimbursement pursuant to Section 32.1.

#### ARTICLE 10 VACATIONS

10.1 On January 1st of each year, employees shall be credited with vacation hours in accordance with the following schedule. Said hours shall not be subject to accrual and shall be designated as "Up Front Hours." The balance of an employee's vacation entitlement shall be subject to accrual in accordance with the following schedule. All vacation hours subject to accrual shall be accrued according to the formula in Appendix A.

10.2 In the event that an employee's workweek schedule is changed from a standard forty (40) hour workweek to a standard thirty-five (35) hour workweek or in the event that an employee's workweek is changed from a standard thirty-five hour workweek to a standard forty (40) hour workweek, his/her accrued hours shall not be adjusted to reflect an equivalent number of days vacation in the new workweek schedule. For example: If any employee is entitled to a total of fifteen (15) days vacation and is assigned to work in a standard forty (40) hour workweek is changed to a standard thirty-five (35) hour workweek, the hours accrued pursuant to the formula for a standard forty (40) hour workweek shall not be reduced to reflect an equivalent of seven hour days vacation that would have been accrued in a standard thirty-five (35) hour

workweek schedule. Conversely, if an employee assigned to a thirty-five (35) hour workweek is changed to a standard forty (40) hour workweek, his/her accrued vacation hours shall not be increased to reflect an equivalent number of eight (8) hours vacation that would have been.

10.3 When the service of an employee shall be terminated by resignation, death, dismissal or otherwise, if such employee shall not have used actual vacation time equal to his vacation credits, such employee or his estate shall, on such termination, be entitled to receive full pay for each hour of vacation to his credit as of the date of termination.

10.4 Vacation leave assignments shall be made in a fair and equitable manner. Each employee shall be allowed to take at least two (2) consecutive weeks (i.e. seventy (70) hours 35 hour employee or eighty (80) hours 40 hour employees) of vacation during the calendar year. The time of said vacation shall be with the approval of the immediate supervisor. Such approval will not be unreasonably withheld. Should a question arise between the employees as to when their vacation time will be taken, the senior employee shall have preference.

10.5 Employees will be permitted to carry over from one year to a second consecutive year vacation time accrued and credited in one year, provided such carryover days to a second consecutive year shall be for use only and shall not be subject to cash out under any provision of contract or statute beyond the number of vacation days which were eligible for cash out in the first year of such carryover.

10.6 Should a question arise between employees as to when their vacation will be taken, the senior employee shall have preference. Seniority should be judged in the following order; Primary, if tied then Secondary, if tied then State.

Sick leave with pay is hereby defined to mean a necessary absence from duty due to illness, injury or exposure to contagious disease and may include absence due to illness or death in the immediate family of the employee (per death) or necessary attendance upon a member of the immediate family who is ill, subject to the provisions of Section 5.0623 of the Personnel Rules in effect at this time. The definition of "Immediate Family" for the purpose of sick leave and bereavement leave, shall include domestic partners of the same or opposite sex who have lived in the same household for at least six (6) months and have made a commitment to continue to live as a family.

11.2 Employees whose basic workweek is thirty-five (35) hours shall accrue four (4) hours for each bi-weekly period of service; employees whose basic workweek is forty (40) hours shall accrue five (5) hours for each bi-weekly period of service.

11.4 When the service of an employee shall be terminated by retirement (mandatory, voluntary, or involuntarily), or death, such employee or his estate shall be entitled to receive full

pay for each hour of accrued sick leave in his credit as of the date of termination, according to the following formula:

A 35 hour a week employee shall be entitled to receive full pay for 50% of all accrued sick leave over 390 hours, up to and including 630 hours, and 75% pay for all accrued sick leave over 630 hours, up to and including 875 hours.

A 40 hour a week employee shall be entitled to receive full pay for 50% of all accrued sick leave over 468 hours up to and including 720 hours, and 75% pay for all sick leave over 720 hours, up to and including 1000 hours.

#### 11.5

- (b) For each discharge of leave of five (5) or more consecutive days, the employee's appointing authority shall require, and the employee shall provide properly completed employee and physician portions of the appropriate United States Department of Labor form (currently WH-380-E, WH-380-F, WH-384 or WH-385).
- (c) In order for the appointing authority to designate an absence as FMLA qualifying leave, the employee must provide the appropriate federal form referenced in (b).
- (d) Nothing herein exempts the employee's obligation to comply with the employing agency's procedure for the need for such leave and obtaining prior authorization as required.
- (e) Notwithstanding the above, the appointing authority, upon reasonable suspicion of leave abuse, may request a properly completed form (as referenced in (b)) for any and all paid or unpaid absences for medical reasons regardless of the duration and the employee will be required to provide such documentation.

- (f) To protect employee privacy rights, all documents containing confidential medical information are maintained as confidential medical records and are kept in separate, secure medical files in the Human Resources Service Center office. Access to these records is restricted as provided by law.
- (g) Nothing herein shall adversely affect an employee's right to leave under either State or Federal leave laws. All absences due to qualifying medical reasons shall count towards an eligible employee's leave under such laws.
- (h) Nothing herein shall be construed to conflict with G.L. 1956 § 36-4-63.

11.6 Whenever an employee shall be absent from his duties and receiving compensation as provided in the Workers' Compensation Law, he shall be granted sick or vacation leave in accordance with the applicable statutes. Deductions from such accumulated leave credits shall be applied only to that part of his salary which is paid as an addition to Workers' Compensation payments, and the total of the two shall not exceed eighty three and one-third (83.3%) percent of the regular salary for a given pay period. When an employee is absent from work due to a compensable injury, he shall be placed on leave during such absence.

11.7 The parties recognize the desirability of light duty assignments as a means of returning injured bargaining unit employees to productive employment.

The Public Defender, or her/his designee and with the agreement of the Union, shall define and assign transitional employment for bargaining unit employees who have job related injuries which prevent or limit performance of full job duties and responsibilities within the following parameters:

Based upon receipt of clearly defined medical verification and subject to the terms herein, the parties hereto shall agree to modify the tasks of the injured employee including job tasks,

hours, shift and/or work location, to provide transitional employment in order to accommodate the employee's injury, and consistent with the needs of the department.

If no transitional employment is available in the employee's classification, the employee may be offered work outside his/her classification on a limited basis with approval of the Union.

The transitional employment for such employees shall be reviewed on a regular basis. The review interval shall be agreed upon by the Union, the Appointing Authority and the employee. The transitional employment period shall not exceed six (6) months unless mutually agreed upon by the Union, the Appointing Authority and the employee, with supporting medical documentation. In addition, the employee shall submit medical documentation on a monthly basis to the Appointing Authority.

If the employee cannot return to her/his classification and/or assignment based upon medical verification after attaining maximum medical improvement, the State shall attempt to assist the employee with other employment, education, or training in State service within the bargaining unit in accordance with the Contract and the Workers' Compensation Laws.

If the injury is not job-related and the employee requests to return to work, the Appointing Authority, upon receipt of medical verification that the injured employee can perform limited tasks in her/his classification, subject to the needs of the Department, and with the agreement of the Union, may modify the tasks of the employee's normal assignment to enable the employee to return to work after utilization of the employee's sick leave.

Any such transitional employee will not displace or otherwise adversely affect any bargaining unit member while participating in the program. Nothing within this provision shall abrogate any existing statutory rights or the responsibilities, including those contained in Title 28 or 42-87 of the R.I.G.L. or in the "Americans with Disabilities Act of 1990."

11.8 A. The State and the Union agree to establish a Sick Leave Bank Committee which shall be responsible to administer a Sick Leave Bank in each bargaining unit covered by the Global Agreement. A separate Sick Leave Bank may be established in a particular department by mutual agreement.

Each Sick Leave Bank Committee may decide, by majority vote, to permit sick leave bank donations to be made on an as needed basis. Decisions of the Sick Leave Bank Committee shall be by majority vote, shall be final and shall not be subject to the grievance and arbitration provisions of the contract.

C. The following provisions must be included in the rules and procedures adopted by the Sick Leave Bank Committee:

1. The Committee must review the sick leave utilization of any member of the Sick Leave Bank who applies for sick leave from the bank. Sick leave will not be granted to an applicant with evidence of prior sick leave abuse in his or her personnel file or attendance record. Prior utilization of sick leave does not by itself indicate sick leave abuse.

2. The Committee must require adequate evidence of catastrophic illness or injury which is not job-related.

3. The maximum amount of sick leave that the Committee may grant shall be 480 hours per employee assigned to a forty (40) hour work week and 420 hours per employee assigned to a thirty-five (35) hour work week. Hours granted shall not exceed the total hours available in the Bank.

4. Employees must make pledges to the Sick Leave Bank by January 15 of each calendar year. Any employee who does not make a contribution to the Bank shall not be eligible to apply to the Bank for any sick leave.

5. Members of the bargaining unit who wish to be eligible to apply to the Bank for sick leave shall pledge eight (8) hours of sick leave if assigned to a forty (40) hour work week and seven hours of sick leave if assigned to a thirty-five (35) hour work week.

6. An employee who applies to the Sick Leave Bank must have used all available accrued and accumulated leave including vacation and personal leave.

7. All sick leave hours accrued while discharging sick leave hours granted by the sick leave bank committee must be discharged prior to discharging available sick leave bank hours.

D. All pledges shall expire on December 31 of each year. Pledged amounts shall not be deducted from an employee's accrual balance unless and until said hours are granted to an applicant by approval of the Sick Leave Bank Committee.

E. If during the calendar year the Sick Leave Bank falls below three fifty (350) hours, the Sick Leave Bank Committee may solicit additional contributions of one additional day (8 hours or 7 hours) from those employees who made a contribution by January 15 of that calendar year.

11.9. The parties agree to establish a committee made up of three (3) representatives from each party to explore the feasibility of providing protection against long term disability either through the purchase of Long Term Disability Insurance and/or through the establishment of a sick leave bank. The Committee shall meet monthly starting no later than May 1996 and shall make its recommendation to the Director of Administration no later than October 1, 1996.

If the State offers such voluntary plans, those that elect to participate will be included in the pool of insured for the purpose of determining the working rate for the primary plan outlined in the Collective Bargaining Agreement. The provision will expire at 11:59 P.M., June 30, 2017.

When necessary, at the discretion of the Appointing Authority and depending on the nature of the charges, the employee will be placed on administrative leave (leave with pay) pursuant to Personnel Rule 6.02, for a maximum of three (3) working days within which time the Administration will conduct a hearing.

- B. If “administration” requires additional time beyond the three (3) working days administrative leave, to prepare for the hearing, the employee will be continued on administrative leave until the hearing is held. In no case shall Administrative leave exceed 10 days.

23.4 An employee against whom a disciplinary action which results in a demotion or dismissal that has been taken may appeal the decision and proceed immediately to a hearing under Step 2 of the grievance procedures set forth below.

23.5 In the case of demotion the Appointing Authority shall give the Personnel Administrator, the employee, and the Union written notice of his intention to effect the demotion not less than fifteen (15) days before the date it is intended to become effective.

23.6 In all other cases the employee and the Union shall be notified on or before the effective date of such action.

23.7 In the event that an employee is dismissed, demoted, or suspended under this Section, and such employee appeals such action, and his appeal is sustained, he shall be made whole under the terms and provisions of this Agreement.

23.8 An employee may be granted a demotion upon request, when recommended by his Appointing Authority and approved by the Personnel Administrator. In this instance, his current status shall be transferred to the lower class.

ARTICLE 24  
GRIEVANCE PROCEDURE

24.1 For the purpose of this agreement, the term “grievance” means any difference or dispute between the State and the Union, or between the State and any employee with respect to the interpretation, application, or violation of any of the provisions of this agreement.

There shall be a grievance procedure as follows:

**Step 1.**

**Step 2.**

The written grievance shall set forth the factual and contractual allegations of the grievance, as well as the relief requested. The decision shall respond to the factual and contractual allegations of the grievance.

**Step 3.**

(a) In the event the grievance is not settled in a manner satisfactory to the Union, then such grievance may be submitted to arbitration in the manner provided herein, within thirty (30) days from the transmittal of the Step 2 decision. Either party to this agreement shall be permitted to call witnesses as part of the grievance procedure. The State, on request, will produce payroll and other records, as necessary. Members of the Union committee, stewards, the aggrieved employee and employee witnesses who are State employees will be paid at their regular rate up to their normal quitting time for time spent in processing grievances.

Miscellaneous

(a) It is also agreed that in all cases of suspension, dismissal or class actions the Union may go immediately to Step 2 of the grievance procedure.

(b) A classified employee may process his/her grievance through either the contract grievance procedure or civil service appeal procedures. If an appeal is filed under the Civil Service appeal procedure, then the contract grievance procedure shall cease and shall not be reinstated. If an appeal is filed under the Civil Service appeal procedure, the employee shall not be entitled to institute proceedings in the contract grievance procedure, the right to do so being waived by the exercise of an option by the employee to utilize the Civil Service procedure.

(c) Sustained grievances and/or grievance resolution agreements shall be implemented, or at a minimum, the necessary paperwork to implement said action, shall be initiated within five (5) work days from the date of receipt of the decision from the Director of the Department of Administration or the date of the grievance resolution.

(d) Union Stewards and Officers shall be granted time off during working hours to seek to settle grievances without loss of pay with prior approval from the Appointing Authority or designee and said approval shall not be unreasonable withheld. A. Pension Payments in Lieu of Negotiated Wage Increases

1. Prior to the implementation of any across-the-board increases in base pay negotiated as part of this successor Global Agreement covering all bargaining units of State executive branch and judicial branch State employees represented by LIUNA, the Union, acting by and through the Rhode Island Laborers' District Council, may, on behalf of all of its members within any such bargaining unit, accept all or a portion of such increase in base pay, and assign the remainder of such increase in base pay, expressed as cents per hour, to the Laborers' International Union of North America National (Industrial) Pension Fund (the "Pension Fund").
2. At the outset of this Global Agreement the Union may designate for assignment, prior to State implementation, all or a portion of each increase in base pay scheduled to take effect during this Agreement. The amount of any such assignment to the Fund shall be uniform for all members within each bargaining unit covered by this Global Agreement. Amounts may differ among the various bargaining units and different bargaining units may be designated for assignment on different effective dates. Once an amount has been assigned to the Plan it shall not be converted to a cents per hour increase.
3. The procedures and regulations which govern payments into the Pension Fund pursuant to such assignment are set forth in the Supplemental Agreement attached hereto as Exhibit 1. The cost of such assignment, except administration costs of implementing and processing the assignment, shall not exceed the cost of the negotiated base pay increase.

B. Eligible Employees for Union Pension Coverage

Employees eligible for Union Pension Coverage shall be employees included in any bargaining unit represented by a local of LIUNA on behalf of which the Rhode Island Laborers' District Council has negotiated this Global Agreement with the State of Rhode Island.

- C. The disclosure by the State to the Union or to the Pension Fund of any proprietary information such as social security number, home address, date of birth or date of hire, which the Union or the Pension Fund deems necessary to process eligibility under the Plan, shall, to the maximum permitted by law, be considered neither an unlawful violation of such employee's privacy nor a violation of this Agreement.
- D. The Union shall indemnify the State for counsel fees and any monetary liability flowing from any claims against the State by an employee contesting such assignment or wages by the Union or any other aspect of the State's compliance with its obligations under this Agreement.

The State agrees to make payments in lieu of base pay increases to the Laborers' National (Industrial) Pension Fund ("Pension Fund") for every State employee employed in each of the below-described bargaining units. The State shall continue to make such payments for employees in each such bargaining unit unless and until it has a right to cease making payments for employees in the unit under the State's agreement(s) with the District Council.

- E. The Pension Fund shall be entitled to have an independent certified public accountant to reasonably audit the State's payroll records from time-to-time to verify the accuracy of the State's payments.
- F. In the event that the State becomes delinquent in its payments, the Pension Fund shall be free to pursue all legal or equitable remedies available under the law without regard to any grievance, arbitration or other administrative procedure and without regard to any other restriction in the agreement(s) between the District Council and the State; provided, if the State withdraws from the Plan, a dispute over withdrawal liability or the State's request to withdraw shall not be considered to be a delinquency under this paragraph. Any such dispute shall be subject to the arbitration provisions of the Collective Bargaining Agreement to which this Supplemental Agreement is attached. .
- G. The District Council and the State agree to accept, be bound by and fully comply with the Agreement and Declaration of Trust pursuant to which the Pension
