12 Arizona Department of Water Resources prepared the map attached to its Report to answer  
13 the question whether the property identified by the Pima County Assessor as owned by Sandra and  
14 James Goad, tax parcel 300-55-009, was included in the investigative report. It determined that the  
15 Goad property was included in Watershed File Report 114-04-BAC-009. Specifically, it reported

17 discontinued. It also reported that Well 55-530492 registered by Sandra and James Goad is located  
18 in the subflow zone. According to the Well Driller Report, Well 55-530492 was drilled in 1991.  
19 Sandra and James Goad have not filed a Statement of Claimant for a right to use water on tax parcel

24 irrigation uses. In its report, ADWR confirmed that Well 55-806362 is also located in the subflow
