In re: Status Conference

MINUTE ENTRY

Courtroom: CCB 301

2:15 p.m. This is the time set for a Status Conference.

The following attorneys and parties appear in-person: Mark McGinnis and Michael Foy on behalf of Salt River Project ("SRP"); Kevin Crestin on behalf of Arizona State Land Department ("ASLD"); and Rhett Billingsley on behalf of ASARCO.

The following attorneys and parties appear telephonically: John D. Burnside on behalf of BHP Copper; Kimberly Parks for Arizona Department of Water Resources; Laurel Herrmann on behalf of San Carlos Apache Tribe; and Jay Tomkus on behalf of Pascua Yaqui Tribe and Yavapai-Apache Nation.

A record of the proceedings is made digitally in lieu of a court reporter.

Mr. Crestin addresses the Court regarding Statement of Claimant ("SOC") No. 39-13895 and has determined that the point of diversion is on ASARCO's private land. Therefore, ASLD will no longer be pursuing the claim.

IT IS ORDERED dismissing SOC No. 39-13895.

Mr. Billingsley's states that ASARCO has evaluated the claim and determined that there are no irrigation rights on ASLD land and proposes that all claims under the Watershed File Report ("WFR") be dismissed.

Mr. McGinnis does not object to the dismissal.

Ms. Herrmann, Mr. Tomkus, and Mr. Burnside have no position.

IT IS FURTHER ORDERED dismissing all claims for water rights investigated on the land referenced in in WFR 114-04-BDA-004. No water rights will be adjudicated based on this WFR for the land owned by ASLD, and the Court will take no further action in this case.

2:21 p.m. Matter concludes.

A copy of this order is mailed to all persons listed on the Court-approved mailing list.
