10:15 a.m. This is the time set for Status Conference to determine if the landowners are interested in pursuing potential water rights before Special Water Master Sherri Zendri.

The following attorneys and parties appear virtually through Court Connect:

- Mark McGinnis on behalf of Salt River Project (“SRP”)
- Mark Widerschein observing on behalf of the United States Department of Justice, Environment and Natural Resources Division
- Garrett Perkins on behalf of the Little Colorado River Coalition (“LCRC”)
- Payslie Bowman observing on behalf of the Hopi Tribe

- Kevin Crestin on behalf of the Arizona State Land Department (“ASLD”)
- Karen Nielsen on behalf of Arizona Department of Water Resources (“ADWR”)

This is the second resetting of this Status Conference and no landowners have appeared. Therefore,

IT IS ORDERED dismissing the Watershed File Report No. 033-50-088 and Statement of Claimant 39-82173.

Mr. McGinnis notes that there is a certificate of water right in this case. Ms. Neilson affirms that this final dismissal will be included in the record.

10:20 a.m. Matter concludes.

A copy of this minute entry is provided to all parties on the Court approved mailing list.

LATER:

Due to potential service issues with the Minute Entry from the March 27, 2024, status conference, it is possible not all parties were aware of this rescheduled hearing.

THEREFORE, IT IS ORDERED that Watershed File Report No. 033-50-088 and Statement of Claimant 39-82173 will remain open for 60 additional days. Any potential claimant wishing to pursue a potential water right must file with the Court a written statement of their intention to move forward by **June 28, 2024**. If the Court receives no such statements, a separate order will be issued to dismiss any potential claim(s) for this contested case.

If claimants have procedural question on how to file a statement, they may contact the Office of the Special Water Master at (602) 372-4115.
