2. The claimant failed to file for a water right under the terms of the Arizona Surface Water Act (1974). Thus, the claimant has not complied with the legally enacted procedures for surface water use and the claim should be denied.
8. The Arizona Department of Water Resources (ADWR) assigned this claim a potential water right despite the claimants failure to file for the right to use surface water as required by the Arizona Surface Water Act (1974). ADWR should rescind the potential water right assigned to this claim.
