In re: Phillip and Anne McKeown  
Contested Case No. W1-11-0914

**MINUTE ENTRY**

Courtroom CCB - 301

1:40 p.m. This is the time set for a telephonic Status Conference before Special Water Master Susan Ward Harris.

A record of the proceedings is made digitally in lieu of a court reporter.

The following parties/attorneys appear virtually via Court Connect:

- Kimberly Parks on behalf of the Arizona Department of Water Resources (“ADWR”)
- Thomas Murphy on behalf of the Gila River Indian Community
- Joe Sparks and Laurel Herrmann on behalf of the San Carlos Apache Tribe
- Brandon Miller is present on his own behalf
- Richard Palmer on behalf of the Tonto Apache Tribe
- Sue Montgomery on behalf of the Yavapai Apache Nation (and observing on behalf of Pascua Yaqui Tribe)

- Mark McGinnis observing on behalf of Salt River Project (“SRP”)

Discussion is held. ADWR found that the water on the property is provided by a water company. Mr. Miller states that he intends to pursue a water right and file a Statement of Claimant. He believes the well used for irrigation on the property is registered under either his or Brandy Harper’s name.

Based on the forgoing,

**IT IS ORDERED** that ADWR shall file a map defining the relationship of the well and the subflow zone by **November 8, 2021**. If the well is outside the boundaries of the subflow zone and Mr. Miller has filed a Statement of Claimant, the Court will stay this case until ADWR completes the tests necessary for the continuation of the case.

**IT IS FURTHER ORDERED** adding Mark McGinnis on behalf of Salt River Project to the Court-approved mailing list in this case.

1:46 p.m. Matter concludes.

**LATER:** Based on the public records of ADWR, a well located in Section 12 Township 23S Range 20E is registered to Brandy Harper and Brandon Miller as 55-601393. Arizona Department of Water Resources shall provide a map of the location of the well and the boundary of the subflow zone. If the well is located outside the boundary of the subflow zone, ADWR shall include on the map the distance between the well and the subflow zone.

A copy of this order is mailed to all persons listed on the Court-approved mailing list.
