

Are you a caregiver or healthy adult looking to help further the research on cognitive impairment and Alzheimer's disease?

Participate in a new research study:

- Eligible participants are healthy adults, aged 60-85 years
- Help us assess new ways of testing memory and attention
- Receive a free research MRI scan
- May receive monetary compensation for your time

**If interested, please call:  
646-774-8635**
