

AMATH/CFRM MAJOR GRADUATING STUDENT CHECKLIST

When graduating from the Department of Applied Mathematics at the University of Washington, undergraduate students should take care of these steps:

- RSVP for the optional [AMath Department Graduation Celebration](#) held in June; look for email announcements and updates online, around Feb/March.
- Register for the optional [University Commencement Ceremony](#) held in June; look for email announcements around Feb/March.
- Check [MyUW](#) for holds or missing grades.
- Run your [degree audit](#) (DARS) to make sure you will satisfy all degree requirements as outlined for your major:
 - [Applied Mathematics \(AMATH\)](#)
 - [AMATH Data Science \(AMATH-DS\)](#)
 - [Computational Finance & Risk Management \(CFRM\)](#)
 - [CFRM Data Science \(CFRM-DS\)](#)
- International students should review the [Final Year Checklist](#) provided by ISS.
- Forward your [UW email address](#) and preserve your UW work before graduation.
- Check out [job search resources](#) from the Career & Internship Center.
- About one month after graduation, the [Office of the University Registrar](#) will send you an email with a link so that you may update your diploma name and mailing address. Your diploma name does not need to match your UW record name. [Diplomas](#) are mailed 3-4 months following graduation. For degree verification purposes, you may request an [official transcript](#) or purchase a [Certified Electronic Diploma](#).
- Stay connected by perusing the [AMath Department Alumni](#) page and connecting on [LinkedIn](#).
- You will receive a survey from the College of Arts and Sciences about 6 months after graduation. Please complete the survey!
