# OJP Grant Application Resource Guide

## SAM.gov Entity Validation Update

GSA implemented a new process to validate an entity's legal business name and physical address when requesting a Unique Entity Identifier (UEI) and for completing a SAM.gov entity registration. Due to a high volume of requests, entity validations are taking longer than expected to process. This validation process is now taking 7-10 business days, and in some cases longer.

OJP strongly recommends starting your SAM.gov registration process as soon as possible to allow the time necessary to process entity validations well in advance of the Grants.gov due date posted in the solicitation. Read [this FAQ](#) for more information.

The Office of Justice Programs (OJP) Grant Application Resource Guide ("Guide") provides guidance to assist OJP grant applicants in preparing and submitting applications for OJP funding. It addresses a variety of policies, statutes, and regulations that apply to many (or in some cases, all) OJP program applicants, or to grants and cooperative agreements awarded in fiscal year (FY) 2023. Some OJP programs may have program solicitations that expressly modify a provision of this Guide; in such cases, the applicant is to follow the guidelines in the solicitation as to any such expressly modified provision.
