**FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE
FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE
FORM 3.2(C) EMPLOYEE EXPERIENCE**

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary.*

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I will manage my agency by being a visuable deputy on site. I will take responsibility by following all policies set forth by the Registrar. I will be accountable by taking full responsibilty for all of the agencies short comings and then devise best practices to turn short coming to successes.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

This all begins with hiring the right people. Then providing training by seasoned management staff which will have at least eight plus years of experience operating a successful license bureau. Once management feels comfortable that employees are ready to handle customers it will be mandatory for staff to read the BMV manual and broadcast during any down time.

3. What measures will you put in place to detect, deter, and prevent fraud?

I would educate staff that there is zero tolerance for fraud of any kind in the work place. All staff would have to sign the computer compliance agreement which spells out the punishment for par-taking in fruadulent activites. Also there will be mulitple sets of eyes on documents along with multiple staff signatures required to verify accurate information which will help alter, detect and prevent fraud.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Emailed broadcast will be immediately retrived and made available for staff review. All staff will be required to read the latest broadcast before their shifts starts and initial page for verification that they have read and comprehend the new information. All broadcast will be discussed as a team to clarify any misinterpretations.

5. How will you demonstrate good leadership to your employees?

I will demonstrate excellent leadership by leading my staff by example. I will talk less with staff and listen more. I would not show favoritism amongst staff. I'd do my fair share of work on the front line servicing customers and behind the scenes with daily reconciliation of paper work.

6. How will you maintain a high level of professionalism each day in this business?

I would set high ethical standards for myself and staff then support those standards with training, communication and an atmosphere of trust. I would set the example of proper performance. I would regularly acknowledge and reward excellence. Give meaningful feedback when problems arise. Enforce guidelines evenly. Supply appropriate tools to enable staff to perform duties effectively.

7. How do you intend to recruit and retain high quality employees?

I would recruit from the local population including local colleges and universities in the area. Vetting those for the best of the best. In order to retain quality employees I would offer a great work environment and a competitive wage.

8. How will you provide a safe, clean and friendly place to do business?

I would provide a safe environment by ensuring that my place of business is appropriately lit. Provide visible security cameras and signage. My agency will be cleaned and dusted daily and deep cleaned and painted as needed, annually. Great customer service techniques will be taught to each staff member to ensure that it's a friendly and knowledgeable place to do business.

9. How would you deal with an irate customer?

From previous experience; customers become irate when they feel they are not given all the information needed to get the services they are in need of. Therefore, I would instruct my staff to allow the customer to explain themselves without interruption. Once we have established the customer's situation, we would calmly explain to the customer all the information needed to get the services that they seek. A listening ear that understands difficult circumstances helps.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

At my previous agency our moto was "Kill them with kindness". My advise is to remain calm. Cooler heads always prevail. Don't take it personal and use your best listening skills. Show empathy. Apologize, if needed, gracefully. Then get to work on finding solutions. Once the situation is over take a few minutes to gather yourself.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

In order to meet the BMV's expectaions I would develop a working relationship with my assigned field representative in order to ger a clear understanding of expectations. Then organize and prioritize time to maximize when and what gets done. If I am unsure of something I would ask for clarifiaction early on. I would assemble the right team. then hustle to get things done.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

The Bureau of Motor Vehicles should consider me for a Deputy Registrars Lincese Agency contract because I have over 25 years of public service. Eight and a half of those years was spent as a successful Deputy Registrar and excluding eight years of military service to our country. Eighteen of my years of public service I served in the capacity of a manager or above. In addition, I have a Master Degree in Public Administration. Taking all of the above into consideration, my life experiences are well rounded to carry out any and all Deputy Registrars duties to their fullest.
