Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

**Nonprofit corporations** must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. **Form 3.2(A) Business Ownership Experience.** Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

**Form 3.2(B) Management and/or Supervisory Experience.** Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

**Form 3.2(C) Employee Experience.** Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

## FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

**Instructions.** Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

<p>--&gt; Process mail-in renewals for vehicle registrations. This would allow me to stay in direct contact with local customers.</p> <p>--&gt; Perform Out of State Inspections at off-site locations. This would allow customers to obtain titles and plates on non-operable vehicles without the need to hire a tow truck to bring the vehicle to our office.</p> <p>--&gt; Process titles. This would allow our office to be a true "one-stop shop" without the need to travel to separate offices.</p> <p>--&gt; Process other written tests currently only available at a Testing Center</p>

### 3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

**Instructions:** Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I consider myself to be a very hands-on owner, manager and employer. I am at the office nearly every day. I routinely "work the check-in desk," talking with customers and getting a feel for their impressions of my business. I personally review the daily reports to keep up to date with the transactions of the business. This business is the main source of income for our family and I protect it as such.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I require that all employees be at their workstations prior to their scheduled start time so they have time to review any broadcasts, emails or training updates before servicing their first customer. Whenever there is a major procedure or policy change, I personally train each employee and have them sign a document indicating they have received and understood the training. I also periodically actively "watch" each employee to be sure they are following all procedures.

3. What measures will you put in place to detect, deter, and prevent fraud?

--> I have implemented all procedures recommended by the Bureau regarding fraud detection. I personally review the daily report which can assist in uncovering fraud.

--> I installed video surveillance that will allow me to monitor the activities of the employees and customers even when I am not in the customer service area or completely away from the office.

--> Cash balances are reviewed and maintained on a daily basis.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Each employee is required to review and initial all broadcasts in BASS prior to servicing their first customer.

BrianCasts (similar to Broadcasts sent by the BMV) are used as an "official" way of keeping everyone informed about new policies, changes in procedures and special events. All employees must read and initial all BrianCasts so that you will be familiar with the information posted on it.

5. How will you demonstrate good leadership to your employees?

I lead by example. Whenever I interact with a customer it is with kindness and respect. I always try to find the best result for the customer, even when they cannot get exactly what they wanted from the Agency. I treat my employees the same way and expect them to follow this lead with the customers.

6. How will you maintain a high level of professionalism each day in this business?

As a business professional for over 30 years, I believe professionalism is second nature for me. I hold myself and other to very high standards and expect the same from my employees.

7. How do you intend to recruit and retain high quality employees?

I have found at the Agency, and at prior organizations, the best place to find great employees is through your great employees. Referrals from existing employees are a fantastic way to source new staff. In addition, referrals from other Deputies or district personnel are a very good way to find people with BMV experience.

8. How will you provide a safe, clean and friendly place to do business?

Safety is a high concern for me. I have a sophisticated security system and have forged a great relationship with the local police. I have a great staff that includes two people who really enjoy cleaning. They work whenever possible to keep the office in great shape. One comes in after hours to provide deep cleaning. The staff has been here for years and we enjoy each other's company on and off the clock.

9. How would you deal with an irate customer?

Usually an irate customer is not mad at me, but is frustrated at not being able to complete their desired transaction. Rather than focusing on what we CAN'T do for the customer, I try to focus on what we CAN do for them. Assisting them in finding the correct access to the people or documents they need can calm them and ease their frustration.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I give my staff the same advice I use when dealing with an irate customer. Focus on what we can do, not what we can't do. Provide with customer with all their options and help them determine exactly what they need to do in order for us to serve them. When my staff believes they still haven't eased the customer's concerns, they ask me to intervene to see if I can't be of more help.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will meet the expectations of the Bureau of Motor vehicles by being a very active, hands-on Deputy Registrar. I will be in the office, working with customers and providing a great "face" for the BMV. I will provide a fun, friendly, safe place for my employees and my customers.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

The BMV should consider reappointing me as a deputy registrar because I am committed to being an ethical, honest, hard-working deputy. I have actively promoted great customer service which can be seen by the number of survey responses we receive from customers. In 2018 - 2019, I invested more than \$60,000 in moving to and remodeling our new office. The new office has significantly improved our customer service.
