Expenditures of Federal Financial Relief Related to COVID-19

In 2020 and 2021, Congress enacted six pieces of legislation to address the impact of COVID-19:

- 1) Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 — Enacted March 6, 2020
- 2) Families First Coronavirus Response Act (FFCRA) - Enacted March 18, 2020
- 3) Coronavirus Aid, Relief, and Economic Security (CARES) Act - Enacted March 27, 2020
- 4) Paycheck Protection Program and Health Care Enhancement Act — Enacted April 24, 2020
- 5) Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) - Enacted December 27, 2020
- 6) American Rescue Plan Act of 2021 (ARPA) - Enacted March 11, 2021

According to estimates from Federal Funds Information for States (FFIS), through these six laws approximately \$52 billion is expected to be directed to Illinois state and local governments (including counties, cities, universities and mass transit districts) and healthcare providers to address COVID-19 response needs. This amount does not include federal assistance programs such as stimulus checks to households, unemployment insurance assistance for individuals, and the Paycheck Protection Program for small businesses.

A large sum of direct aid came to Illinois through a provision in the CARES Act which created the Coronavirus Relief Fund (CRF) for state and local governments. Illinois' share after direct allocations to local governments was \$3.519 billion to cover the state's necessary incurred expenditures in response to COVID-19 between March 1, 2020 and December 30, 2021. Funds were used for agency operational response costs, grants to healthcare providers, rental assistance, grants to small businesses and childcare providers, and grants to local governments.

In March 2021, the American Rescue Plan Act (ARPA) became law. This \$1.9 trillion economic stimulus bill included direct payments to individuals, an extension of enhanced unemployment compensation benefits, direct state and local aid, and several other programs and program modifications to facilitate the nation's recovery from the pandemic.

Some of the larger ARPA allocations included:

- Coronavirus State Fiscal Recovery Fund: \$8.1 billion primarily for COVID-19 related expenditures and to replace revenue lost as a result of the pandemic. Funds may be used for expenses obligated through December 31, 2024 (and fully expended by December 31, 2026). An additional \$254 million is expected to come to Illinois from the Coronavirus Capital Projects Fund to be used for Connect Illinois broadband projects.
- Local Fiscal Recovery Fund: \$6.0 billion. Most of these funds will go directly to large cities (estimated \$2.7 billion) and counties (estimated \$2.5 billion). Approximately \$740 million will flow through the state treasury to smaller ("non-entitlement") cities - the first half of which was distributed by the state in fall 2021.
- Education: \$6.4 billion. Includes \$5.05 billion for public K-12 schools (through Elementary and Secondary Emergency Relief (ESSER) Fund), \$1.3 billion for institutions of higher education (Higher Education Emergency Relief Fund (HEERF)), and \$80 million for private K-12 schools. This is in addition to amounts received from previous legislation for ESSER and HEERF funding.

The fiscal year 2022 budget directed federal dollars received from ARPA to aid businesses and families and invest in Illinois' communities. In addition to dollars for specific programming purposes, ARPA allocated \$8.381 billion to Illinois through the Coronavirus State Fiscal Recovery Fund and the Coronavirus Capital Projects Fund, which will allow the State to make targeted investments with accelerated impact. The fiscal year 2022 budget allocated roughly \$2.8 billion from the Coronavirus State Fiscal Recovery Fund dollars to key areas like infrastructure, violence prevention, education, healthcare, affordable housing, and economic recovery. In addition to these investments, the fiscal year 2022 budget plan reserves \$1.5 billion to replace lost revenues to the state, due to the pandemic, to fund essential government services as allowed under ARPA. The Governor will work with the General Assembly to appropriate additional federal funding as needed.

Continued - Expenditures of Federal Financial Relief Related to COVID-19

The following tables detail allocations and spending from the federal bills enacted for COVID-19 relief. These tables illustrate expenditures from fiscal year 2021 or fiscal year 2022 appropriations compared to the federal award amount. In several appropriations, amounts for the enhanced federal awards are combined with other programmatic appropriations and will not directly line up with the COVID-19 response award amount.

Below are the expenditures from the Coronavirus Relief Fund allocations for fiscal year 2021.

Appropriation Line Transfers

Each fiscal year agencies receive individual appropriations from specific funds for specific purposes. Examples of these would be individual appropriations for expenses such as personal services (payroll), equipment, or printing. State statute (30 ILCS 105/13.2) authorizes agencies to transfer up to 2 percent of their aggregate appropriation from one line item to another as long as the appropriations are from the same fund. In a typical year, agencies are prohibited from transferring amounts from the following appropriation line items: personal services, State contributions to the State Employees' Retirement System, retirement contributions paid by the employer, and State contribution for employee group insurance.

Public Act 102-16, effective June 17, 2021, provides state agencies more flexibility for the fiscal year 2022 budget, by allowing aggregate transfers for operational or lump sum expenses of up to 4 percent rather than 2 percent. Section (c-8) of 30 ILCS 105/13.2 eliminates most of the typical limitations for appropriation transfers for fiscal year 2022 as well, with the exception that agencies cannot transfer from grant line item or grant lump sum appropriations. Grant line item and grant lump sum appropriations do not count toward the total 4 percent transfer limit from each fund. Because personal services transfers are authorized in fiscal year 2022, any such transfers must be accompanied by transfers into the corresponding appropriations for employee retirement contributions paid by the employer and for the employer share of the employee contributions required for the retirement system.

For this report, all transfers under this authority that exceed 2 percent are required to be disclosed.

Fund Transfers

Authority for transfers between funds exists in statute in a variety of forms. Statute dictates the amounts, the timing, the initiating agency, and any other aspects necessary. The table below outlines fiscal year 2022 discretionary transfers that are initiated by the Office of the Governor. Detailed information on the transfers below are included in Appendix C. All other transfers initiated by agencies under the Governor are included in Appendix D.

Current Budget Management Actions

Hiring Freeze: Effective April 6, 2020, all non-essential hiring was frozen until further notice.

Travel Restrictions: Effective March 13, 2020, all forms of travel that are not mission essential to the operations of a state agency were cancelled or put on hold indefinitely.

Municipal Liquidity Facility Borrowing: In order to maintain adequate cash flow in spite of significant declines in state revenue sources related to the pandemic, GOMB executed two separate borrowing transactions through the Federal Municipal Liquidity Facility program. The first borrowing was executed in June of 2020, totaling \$1.2 billion. Repayment of this borrowing was completed in fiscal year 2021. The second borrowing was executed in December 2020, totaling \$2.0 billion. Repayment of this borrowing was completed in January 2022, nearly two full years early.

Appendix E – Legislative Budget Oversight Commission Legislation

(25 ILCS 10/20)

Sec. 20. Legislative Budget Oversight Commission.

(a) The General Assembly hereby finds and declares that the State is confronted with an unprecedented fiscal crisis. In light of this crisis, and the challenges it presents for the budgeting process, the General Assembly hereby establishes the Legislative Budget Oversight Commission. The purpose of the Commission is: to monitor budget management actions taken by the Office of the Governor or Governor's Office of Management and Budget; and to oversee the distribution and expenditure of federal financial relief for State and local governments related to the COVID-19 pandemic.

(b) At the request of the Commission, units of local governments and State agency directors or their respective designees shall report to the Commission on the status and distribution of federal CARES money and any other federal financial relief related to the COVID-19 pandemic.

(c) In anticipation of constantly changing and unpredictable economic circumstances, the Commission will provide a means for the Governor's Office and the General Assembly to maintain open communication about necessary budget management actions during these unprecedented times. Beginning August 15, 2020, the Governor's Office of Management and Budget shall submit a monthly written report to the Commission reporting any budget management actions taken by the Office of the Governor, Governor's Office of Management and Budget, or any State agency. On a quarterly basis, the Governor or his or her designee shall give a report to the Commission and each member thereof. The report shall be given either in person or by telephonic or videoconferencing means. The report shall include:

- (1) any budget management actions taken by the Office of the Governor, Governor's Office of Management and Budget, or any agency or board under the Office of the Governor in the prior quarter;
- (2) year-to-date revenues as compared to anticipated revenues;
- (3) year-to-date expenditures as compared to the Fiscal Year 2021 budget as enacted;
- (4) a list, by program, of the number of grants awarded, the aggregate amount of such grant awards, and the aggregate amount of awards actually paid with respect to all grants awarded from federal funds from the Coronavirus Relief Fund in accordance with Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act or from the Coronavirus State Fiscal Recovery Fund in accordance with Section 9901 of the federal American Rescue Plan Act of 2021, which shall identify the number of grants awarded, the aggregate amount of such grant awards, and the aggregate amount of such awards actually paid to grantees located in or serving a disproportionately impacted area, as defined in the program from which the grant is awarded; and
- (5) any additional items reasonably requested by the Commission.

(d) The Legislative Budget Oversight Commission shall consist of the following members:

- (1) 7 members of the House of Representatives appointed by the Speaker of the House of Representatives;
- (2) 7 members of the Senate appointed by the Senate President;
- (3) 4 members of the House of Representatives appointed by the Minority Leader of the House of Representatives; and
- (4) 4 members of the Senate appointed by the Senate Minority Leader.

(e) The Speaker of the House of Representatives and the Senate President shall each appoint one member of the Commission to serve as a co-chair. The members of the Commission shall serve without compensation.

(f) As used in this Section:

"Budget management action" means any transfer between appropriation lines exceeding 2%, fund transfer, designation of appropriation lines as reserve, or any other discretionary action taken with regard to the Fiscal Year 2021 budget as enacted;

"State agency" means all officers, boards, commissions, departments, and agencies created by the Constitution, by law, by Executive Order, or by order of the Governor in the Executive Branch, other than the Offices of the Attorney General, Secretary of State, Comptroller, or Treasurer.

(g) This Section is repealed July 1, 2022.
