We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents of Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the employed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

**JOIN US IN OPPOSING THE THREATENED CLOSURE OF
WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS
AND A VITAL PART OF OUR COMMUNITY**

We, the undersigned, urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

**JOIN US IN OPPOSING THE THREATENED CLOSURE OF
WARREN G MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS
AND A VITAL PART OF OUR COMMUNITY**

We, the undersigned, urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

WARREN G MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS
AND A VITAL PART OF OUR COMMUNITY**

We, the undersigned, urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A
VITAL PART OF OUR COMMUNITY**

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services. Please print clearly

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VTITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

VITAL PART OF OUR COMMUNITY**

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A
VITAL PART OF OUR COMMUNITY**

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

March 8th Rally at Murray Center

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.
