JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services. Please print clearly

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents. Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A
VITAL PART OF OUR COMMUNITY**

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents of Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents of Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents of Murray Developmental Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs and cutbacks add to the ranks of the unemployed and risk the health and safety of residents at Murray Center. We call on our legislators to pledge their public support for legislation that will balance the state budget, stop facility closures, halt layoffs and restore vital services

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

Murray Center

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Murray Center

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Murray Center

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

WE THE UNDERSIGNED URGE OUR LAWMAKERS TO OPPOSE THE THREATENED CLOSURE OF MURRAY CENTER & THE RELATED CUTBACKS IN VITAL PROGRAMS OF THE STATE GOVERNMENT WHICH ENSURE SAFE HOMES FOR THE DEVELOPMENTALLY DISABLED CITIZENS, HELP TO SAFEGAARD & SUSTAIN CHILDREN & FAMILIES, & ASSIST THOSE WITH DISABILITIES. SUCH CLOSURES, LAYOFFS & CUTBACKS ADD TO THE RANKS OF THE UNEMPLOYED & RISK THE HEALTH & SAFETY OF RESIDENTS @ MURRAY CENTER. WE CALL ON OUR LEGISLATORS TO PLEDGE THEIR PUBLIC SUPPORT FOR LEGISLATION THAT WILL BALANCE THE STATE BUDGET, STOP FACILITY CLOSURES, HALT LAYOFFS, & RESTORE VITAL SERVICES.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

JOIN US IN OPPOSING THE THREATENED CLOSURE OF WARREN G. MURRAY DEVELOPMENTAL CENTER, A HOME FOR ITS RESIDENTS AND A VITAL PART OF OUR COMMUNITY

We the undersigned urge our lawmakers to oppose the threatened closure of Murray Developmental Center and the related cutbacks in vital programs of state government which ensure safe homes for developmentally disabled citizens, help to safeguard and sustain children and families, and assist those with severe disabilities. Such closures, layoffs, and cutback add to the ranks of the unemployed and risk the health and safety of residents at Murray Developmental Center.

Join us in working with the State of Illinois to provide additional financial information that will allow Governor Quinn and our local Legislators to help us work as a TEAM to provide viable options that will reduce the State Budget and stop the facilities closure.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.

Presently, the state of Illinois, under the direction of Governor Quinn is attempting to close state residential facilities for the handicapped. We believe this would be detrimental to the health and well being of the residents of Murray Developmental Center. We demand the state of Illinois keep Murray Center open, and adequately fund the center so our loved ones can live a safe and happy life.
