

Ohio Revised Code

Section 125.072 Purchasing services or supplies via reverse auction on internet.

Effective: November 5, 2004

Legislation: House Bill 204 - 125th General Assembly

(A) As used in this section, "reverse auction" means a purchasing process in which offerors submit bids in competing to sell services or supplies in an open environment via the internet.

(B) Whenever the director of administrative services determines that the use of a reverse auction is advantageous to the state, the director, in accordance with rules the director shall adopt, may purchase services or supplies by reverse auction.

(C) The director, by rule, may authorize a state agency that is authorized to purchase services or supplies directly to purchase them by reverse auction in the same manner as this section and the rules adopted under this section authorize the director to do so.
