

Ohio Revised Code

Section 125.181 State information technology investment board.

Effective: October 16, 2009

Legislation: House Bill 1 - 128th General Assembly

The director of administrative services shall establish the state information technology investment board within the department of administrative services. The board shall consist of representatives from various state elective offices and state agencies, including the office of budget and management. The board shall identify and recommend to the state chief information officer opportunities for consolidation and cost-savings measures relating to information technology. Members of the board are not entitled to compensation for their services.
