

Ohio Revised Code

Section 125.39 Forfeiture of bond.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

If the contractor fails to furnish printing goods and services according to the terms of the contract, the department of administrative services shall purchase the required printing goods and services on the open market after notifying the contractor in writing of such action, and the cost in excess of the contract shall be collected from the contractor or the posted bond, if a bond was provided.
