(21) For more than seventy-eight thousand pounds, one thousand six hundred sixty-six dollars.

(C)(1) Applications for the in-state registration of a commercial car or commercial bus under the international registration plan shall be filed with the registrar. The registrar shall use the appropriate amount under division (A) or (B) of this section as the base rate for purposes of determining the registration taxes due to this state in accordance with rules adopted under section 4503.63 of the Revised Code for apportionment purposes.

(2) With regard to a commercial car or commercial bus that is registered in this state and is subject to the international registration plan, the registrar or deputy registrar shall charge a fee equal to the amount established under section 4503.038 of the Revised Code, plus an appropriate amount to cover the cost of postage.

(3) With regard to a commercial car or commercial bus that is registered in this state and is subject to the international registration plan, if an application for registration renewal is not applied for prior to the expiration date of the registration or within thirty days after that date, the registrar or deputy registrar shall collect a fee of ten dollars for the issuance of the vehicle registration. The registrar may waive the fee for good cause shown if the application is accompanied by supporting evidence as the registrar may require.

(D) The registrar of motor vehicles shall take all steps necessary to determine and collect the apportioned registration tax due for vehicles registered in another international registration plan jurisdiction that lists Ohio for apportionment purposes on a uniform mileage schedule. The registration taxes charged shall be determined on the basis of the annual tax otherwise due on the motor vehicle, prorated in accordance with the number of months for which the motor vehicle is registered. The base rate shall be the applicable amount under division (A) or (B) of this section.
