

## Ohio Revised Code

### Section 4507.52 Identification card contents.

Effective: July 1, 2009

Legislation: House Bill 2 - 128th General Assembly

---

(A) Each identification card issued by the registrar of motor vehicles or a deputy registrar shall display a distinguishing number assigned to the cardholder, and shall display the following inscription:

"STATE OF OHIO IDENTIFICATION CARD

This card is not valid for the purpose of operating a motor vehicle. It is provided solely for the purpose of establishing the identity of the bearer described on the card, who currently is not licensed to operate a motor vehicle in the state of Ohio."

The identification card shall display substantially the same information as contained in the application and as described in division (A)(1) of section 4507.51 of the Revised Code, but shall not display the cardholder's social security number unless the cardholder specifically requests that the cardholder's social security number be displayed on the card. If federal law requires the cardholder's social security number to be displayed on the identification card, the social security number shall be displayed on the card notwithstanding this section. The identification card also shall display the color photograph of the cardholder. If the cardholder has executed a durable power of attorney for health care or a declaration governing the use or continuation, or the withholding or withdrawal, of life-sustaining treatment and has specified that the cardholder wishes the identification card to indicate that the cardholder has executed either type of instrument, the card also shall display any symbol chosen by the registrar to indicate that the cardholder has executed either type of instrument. On and after October 7, 2009, if the cardholder has specified that the cardholder wishes the identification card to indicate that the cardholder is a veteran, active duty, or reservist of the armed forces of the United States and has presented a copy of the cardholder's DD-214 form or an equivalent document, the card also shall display any symbol chosen by the registrar to indicate that the cardholder is a veteran, active duty, or reservist of the armed forces of the United States. The card shall be sealed in transparent plastic or similar material and shall be so designed as to prevent its reproduction or alteration without ready detection.

The identification card for persons under twenty-one years of age shall have characteristics prescribed by the registrar distinguishing it from that issued to a person who is twenty-one years of age or older, except that an identification card issued to a person who applies no more than thirty days before the applicant's twenty-first birthday shall have the characteristics of an identification card issued to a person who is twenty-one years of age or older.

Every identification card issued to a resident of this state shall expire, unless canceled or surrendered earlier, on the birthday of the cardholder in the fourth year after the date on which it is issued. Every identification card issued to a temporary resident shall expire in accordance with rules adopted by the registrar and is nonrenewable, but may be replaced with a new identification card upon the applicant's compliance with all applicable requirements. A cardholder may renew the cardholder's identification card within ninety days prior to the day on which it expires by filing an application and paying the prescribed fee in accordance with section 4507.50 of the Revised Code.

If a cardholder applies for a driver's or commercial driver's license in this state or another licensing jurisdiction, the cardholder shall surrender the cardholder's identification card to the registrar or any deputy registrar before the license is issued.

(B) If a card is lost, destroyed, or mutilated, the person to whom the card was issued may obtain a duplicate by doing both of the following:

(1) Furnishing suitable proof of the loss, destruction, or mutilation to the registrar or a deputy registrar;

(2) Filing an application and presenting documentary evidence under section 4507.51 of the Revised Code.

Any person who loses a card and, after obtaining a duplicate, finds the original, immediately shall surrender the original to the registrar or a deputy registrar.

A cardholder may obtain a replacement identification card that reflects any change of the cardholder's name by furnishing suitable proof of the change to the registrar or a deputy registrar and

surrendering the cardholder's existing card.

When a cardholder applies for a duplicate or obtains a replacement identification card, the cardholder shall pay a fee of two dollars and fifty cents. A deputy registrar shall be allowed an additional fee of two dollars and seventy-five cents commencing on July 1, 2001, three dollars and twenty-five cents commencing on January 1, 2003, and three dollars and fifty cents commencing on January 1, 2004, for issuing a duplicate or replacement identification card. A disabled veteran who is a cardholder and has a service-connected disability rated at one hundred per cent by the veterans' administration may apply to the registrar or a deputy registrar for the issuance of a duplicate or replacement identification card without payment of any fee prescribed in this section, and without payment of any lamination fee if the disabled veteran would not be required to pay a lamination fee in connection with the issuance of an identification card or temporary identification card as provided in division (B) of section 4507.50 of the Revised Code.

A duplicate or replacement identification card shall expire on the same date as the card it replaces.

(C) The registrar shall cancel any card upon determining that the card was obtained unlawfully, issued in error, or was altered. The registrar also shall cancel any card that is surrendered to the registrar or to a deputy registrar after the holder has obtained a duplicate, replacement, or driver's or commercial driver's license.

(D)(1) No agent of the state or its political subdivisions shall condition the granting of any benefit, service, right, or privilege upon the possession by any person of an identification card. Nothing in this section shall preclude any publicly operated or franchised transit system from using an identification card for the purpose of granting benefits or services of the system.

(2) No person shall be required to apply for, carry, or possess an identification card.

(E) Except in regard to an identification card issued to a person who applies no more than thirty days before the applicant's twenty-first birthday, neither the registrar nor any deputy registrar shall issue an identification card to a person under twenty-one years of age that does not have the characteristics prescribed by the registrar distinguishing it from the identification card issued to persons who are twenty-one years of age or older.
