| Important Questions | Answers | Why this Matters: |
|---|--|---|
| What is the overall <u>deductible</u> ? | <p>Network: \$650/person, up to \$2,000 max; Non-Network: \$1,500/person, up to \$4,500 max; Network and Non-Network are not combined.</p> <p>Out-of-Area (OOA): same as Network benefit (combined Network and Non-Network).</p> <p>NOTE: You may be able to offset some of the cost associated with the deductible by completing Healthy Actions to earn credits in your HealthFund.</p> | <p>You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u>.</p> |
| Are there other <u>deductibles</u> for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers. |
| Is there an <u>out-of-pocket limit</u> on my expenses? | <p>Network: Medical: \$2,150 per person up to a \$5,000 maximum (includes \$650/\$2,000 deductible); Pharmacy: \$2,000 per person up to a \$4,000 maximum</p> <p>Non-Network: Medical: \$6,500 per person, up to a \$14,500 maximum (includes \$1,500/\$4,500 deductible);</p> <p>Out-of-Area (OOA): same as Network benefit (combined Network and Non-network)</p> | <p>The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.</p> |
| What is not included in the <u>out-of-pocket limit</u> ? | Preventive Care, Recognized Charges overages and services not covered under the Plan. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
