

Report of local dialogue

organised by CoR Member **Patrik Schwarcz-Kiefer (Hungary, NI)**

Europe-Day in Mohács and a debate on the future of mobility

Organised by	Változást Akarók Nemzedéke
Partners	Maximum Közösség Egyesület, Europe Direct Baranya
Date and time of the event	13th of May 2023, 10:00-16:00
Event type	Onsite
Location(s) of event	Mohács, Baranya, Hungary
Total number of participants	25
Type of participants	Citizens of Mohács, members of the City Council
Name of CoR Members participating	Patrik Schwarcz-Kiefer, József Kóbor
Name(s) of representatives from other EU institutions	APA of MEP Ujhelyi
Theme(s) covered during the event	Climate change and the environment A stronger economy, social justice and jobs Digital transformation
Recommendations / conclusions from the debate	1) consideration of the social impact of banning internal combustion engines and finding solution for cheap mobility in rural areas
	2) direct funding of the European cities and regions from the EU

	<p>3) finding positive messages for those less wealthy EU-citizens, who couldn't experience the positive impact of the EU so far. Just an example: if somebody don't have a budget for traveling, the free movement and the freedom roaming mean nothing, so that these decisions are easily understandable for everybody</p>
	<p>4) EU support for language teaching in border regions which could increase the future mobility in these regions</p>
