

CROSSROADS YMCA 2022 Annual Report

DEAR FRIENDS,

Crossroads YMCA makes an impact by inspiring communities to thrive. We strengthen the community by offering programs that respond to critical needs, make a positive impact in the lives of children, adults and families. The Y provides a place for people—regardless of age, income or background—to be healthier, more confident, connected and secure.

From quality before and after school programming and life-saving swim lessons to values-based youth sports and engaging healthy activities for the entire family, the Y's programs and initiatives stay true to our mission to put Christian principles into practice through programs that build healthy spirit, mind and body for all. This annual report captures how the Crossroads YMCA strengthened our community in 2022. We continue to focus on meaningful work that gets us closer to accomplishing our vision:

VISION

Boldly move forward to serve 175,000 kids, families, and adults in Lake County in an exceptional way by providing programs and membership services to build a healthier community.

Our impact would not be possible without the generosity of supporters like you! Our sincere gratitude to the Crossroads YMCA Board, Branch Advisory Boards, volunteers, donors, community partners and staff for their dedication and continuous support to serve the changing needs of our community. Together, we are strengthening the community!

With appreciation,

Jay Buckmaster
CEO, Crossroads YMCA

INSPIRING A BETTER FUTURE

The Crossroads YMCA continues to look towards the future and transform Lake County. For the community, the goal is to offer more options for all ages to grow, learn and thrive.

Hammond Destination YMCA

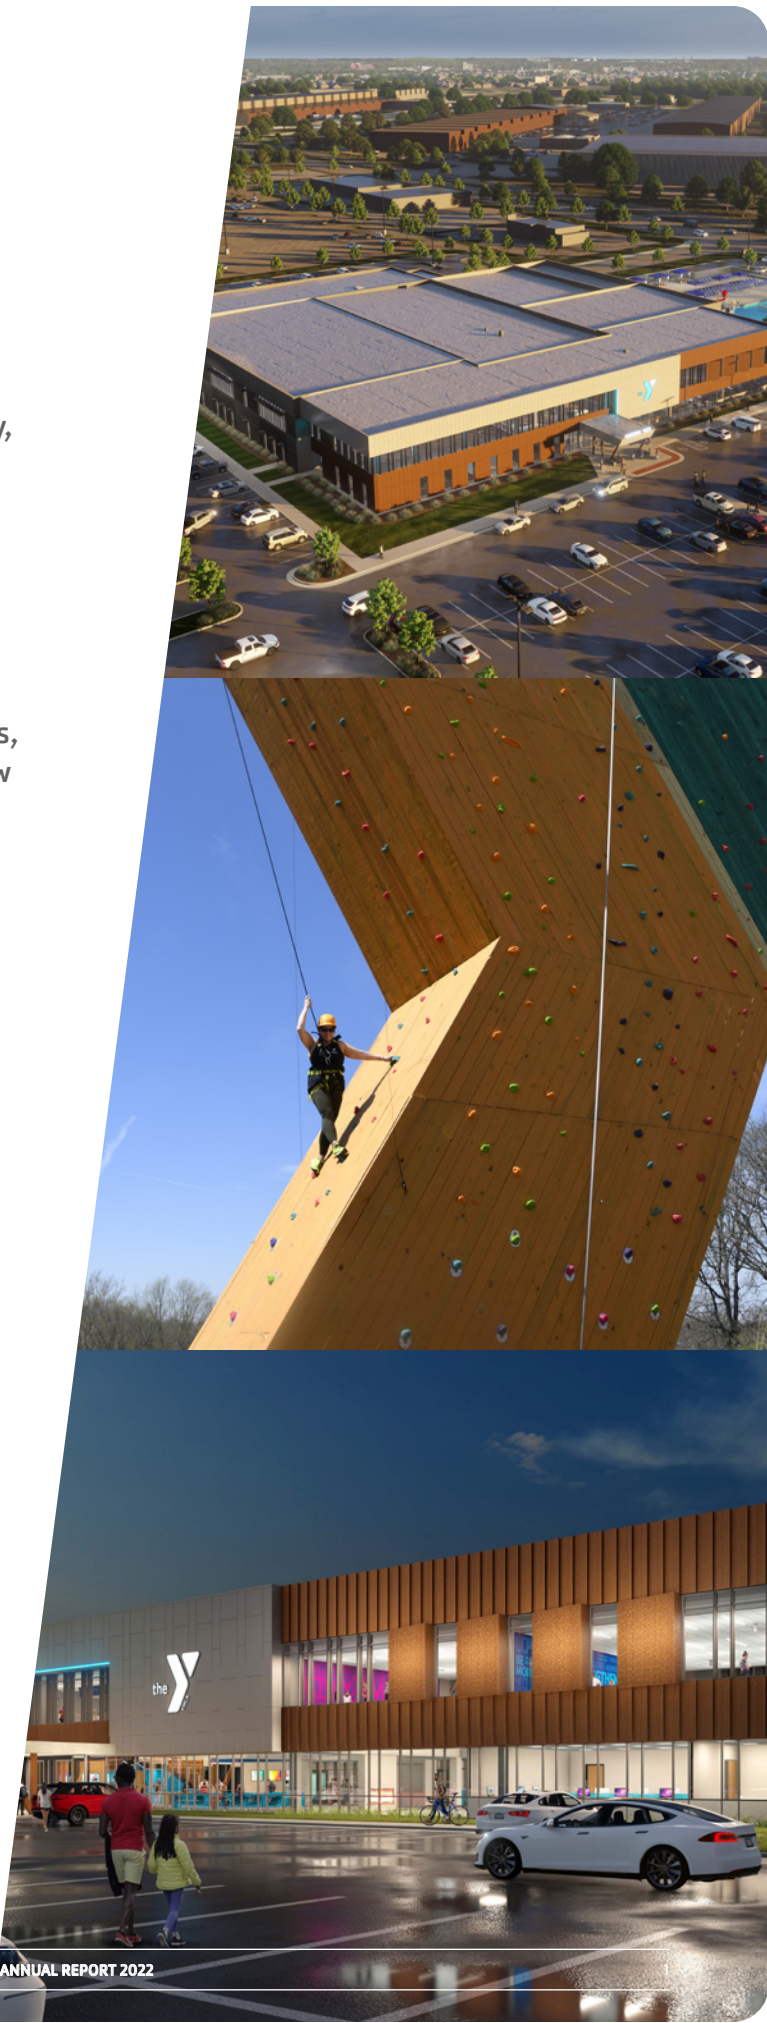

The next destination YMCA in Crossroads YMCA with approximately 120,000 square feet with an Outdoor Waterpark in coming to North Lake County! This location will offer an array of programs for kids, teens, adults, seniors and families. Goal for opening the new facility is the end of 2024.

Triangle Hills Camp & Retreat Center

Nestled among the oak & maple trees of Southern Lake County, Camp Triangle Hills is a new 144-acre opportunity for individuals to grow in mind, body and spirit. This is an expanding location with recent completion of the Y Climbing Wall and Lodge. Additional projects are currently in progress at this location.

YMCA at Tolleston Opportunity Campus

The Tolleston Opportunity Campus will establish a convenient, visible, and inviting “front door” to a wide range of opportunities that are easily accessed through a central location. The project will encompass resources of the Boys and Girls Club of Greater Northwest Indiana, Methodist Hospital, and the Crossroads YMCA to provide childcare, exercise classes, community programming, and health care clinic.

INSPIRING THE NEXT GENERATION

The Y believes every child deserves the support, guidance and encouragement to be who they are and discover who they can become. That's why the Crossroads YMCA provides opportunities for youth to cultivate values, skills and relationships that lead to positive behaviors, better health and educational achievement. We are committed to programs that inspire the growth and development of our local youth.

INSPIRING IMPACT

Justin and his son, who is 7 years old and on the Autism spectrum, have been a part of the Diverse Abilities Swim Program for about a year and a half now. For Justin, this program has given his family the opportunity to learn proper water safety. A lot of children who are on the Autism spectrum have an affinity for water, and Justin never wanted his son to be in a position where he was in water and could not swim. In addition to learning to swim, the program has also allowed his son to get the sensory input that he needs. "He does not do large crowds or big noisy areas. Being able to come to the Y and have a program that allows him to do things just like other kids do is great".

Drowning is the leading cause of death for children ages 1-4, and the YMCA's Safety Around Water and swim lessons programs teach water safety skills and help prevent tragic accidents.

IMPROVING QUALITY OF HEALTH

Study after study shows working out your brain and body will lead to longer and fuller lives. Such research drives many seniors to better their mind, body and spirit through the Y's Senior programs. From group exercise to yoga, water aerobics and potlucks – active older adults aren't just receiving physical benefits – they're building relationships while increasing their self-confidence and sense of achievement.

INSPIRING COMMITMENT AT WORK

At the Crossroads YMCA, we believe lasting personal and social change is best accomplished when we all work together to invest in our kids, our health and our neighbors.

As the leading charity committed to strengthening community, we are focused on giving everyone the opportunity to learn, grow and thrive. We change, and often save lives thanks to generous contributions from donors, members and community partners. Philanthropy is at the root of all we do to fulfill our mission.

1,100 full and part-time employees working to Transform Lake County

Supporting the community is the backbone of our organization. The hard work and dedication of our volunteers and community members are the reason we are able to make a far-reaching impact in our community. The Crossroads YMCA worked with local organizations to support and donate to the community in 2022. With the Food Bank of NWI, volunteers participated in a Packing Day with packing 215 boxes assembled. During the holiday season, 190 coats were collected and distributed to local shelters.

INSPIRING IMPACT

Emma is a Camp Counselor at Camp Triangle Hills that has a wonderful plethora of programs and opportunities rain or shine.

Her favorite part is the high ropes and archery – she loves it when the campers realize they are capable of more than they believe and step out of their comfort zone! She has staffed many camps throughout her lifetime, but Triangle Hills has truly impacted her.

“The campers transform throughout the week. Seeing them learning and enabling themselves is a fantastic and treasuring experience to be a part of.”

543 volunteers donated their time and talents to assist in the Y’s cause-driven programs & initiatives.

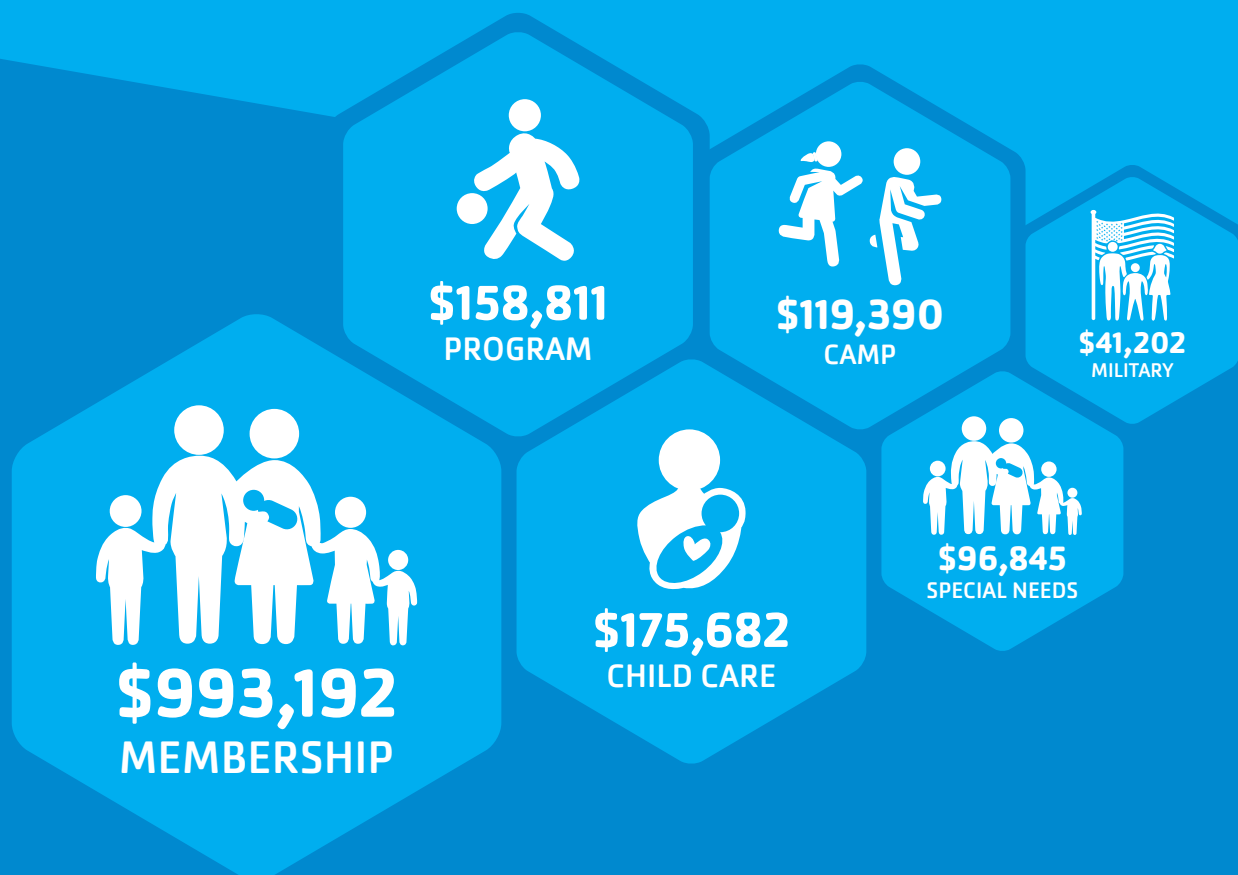

12,386 total hours logged by dedicated Y volunteers.
