# The State's Key Priorities

- Fill vacancies with high quality applicants
- Prevent discrimination and adverse impact
- Reduce timeframes to hire
- Remove barriers to employment
- Deploy creative recruitment strategies
- Make job postings more attractive
- Recommend improvements to entry-level pathways

# Recap of Identified Issues

- The State's required process is labor intensive and extends hiring timeframes
- Process does not allow flexibility to account for market changes, technology, or encourage the creativity of hiring managers to get to the most desired applicants
- Our job announcements are unappealing and lengthy
- The applicant website can be difficult to use
- The State's brand is not apparent
- The current applicant score and add preference process does not always result in the best candidates getting interviewed

# Evaluation and Rating Requirements

- Application is rated against generic preset minimum qualifications. If minimally qualified the applicant receives a base score of 70 points
- Notify applicant if they are determined to be “not qualified”
- Review of training and experience or written exam for specific desired knowledge, skills and abilities can add up 30 points to base score
- The selection instrument must be reviewed and determined to be job related, reliable, and valid
- Credits in selection are applied
- Applicants are ordered by Layoff, Reinstatement, Transfer, DORS Certified, Veteran, Best, Better, or Qualified
- Applicants are randomized within the categories
- Once all steps are completed a Certified List is created

# Preference in Selection (added to rating/test score)

*State employees* – One quarter point per year up to 20 years service (5 points max.)

*Veterans*, and family members of *Service-connected Disabled* and family members of *Deceased Veterans* (10 points)

*A Former Prisoner of War* (12 points)

Host counties and adjacent counties with average *Unemployment Rate* more than 1.5 times the States unemployment rate (5 points),  
Host legislative districts in Baltimore City and adjacent legislative districts in which a *Juvenile Justice Center* is located (5 points)

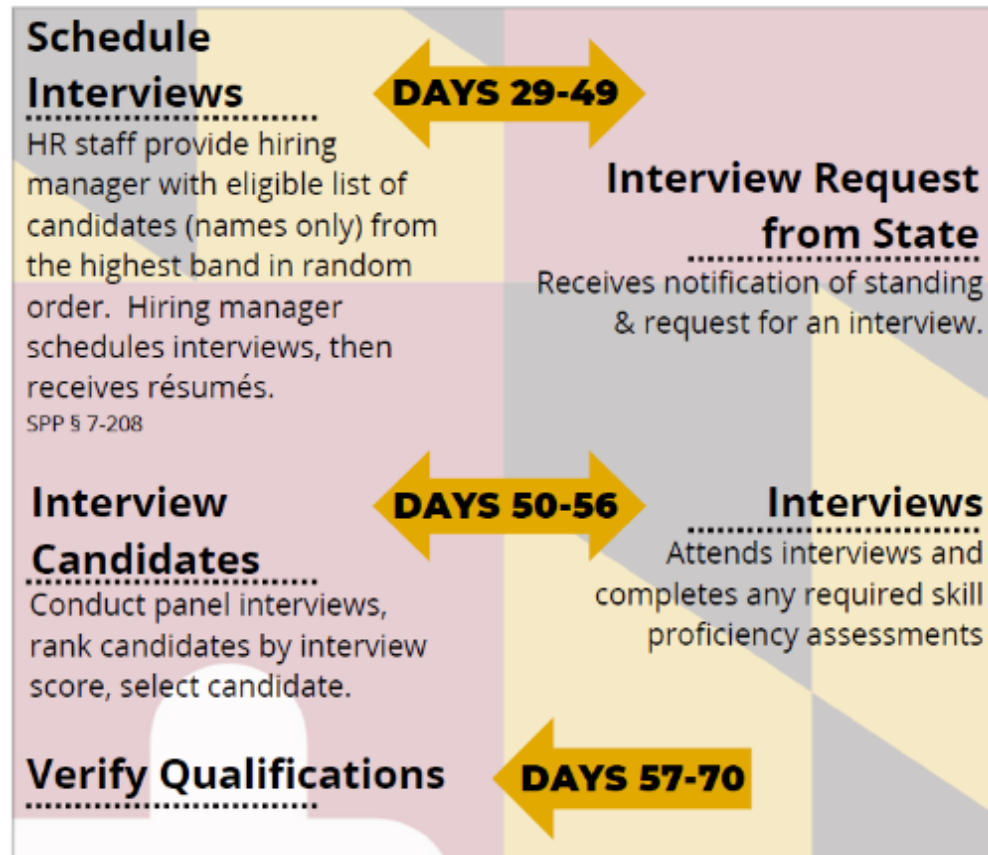

*Disability* as defined by ADA (5 points)
