(B) Use of Estimates in the Preparation of the Financial Statements

The preparation of the financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(C) Accounting Policy

Investment Income and Declines in Fair Value

The Company periodically reviews its bonds and common stocks to determine whether a decline in fair value below the amortized cost basis is other than temporary. The process for identifying declines in the fair value of investments that are other than temporary involves consideration of several factors. These factors include (1) the period in which there has been a significant decline in value; (2) an analysis of the liquidity, business prospects, and overall financial condition of the issuer; (3) the significance of the decline; and (4) our intent and ability to hold the investment for a sufficient period for the value to recover. When our analysis of the above factors results in the

NOTES TO FINANCIAL STATEMENTS

conclusion that declines in fair values are other than temporary, the cost of the securities is written down to fair value and is reflected as a realized loss.

Bonds

Bond investments are stated at amortized cost and consist of government agency securities as well as "Investment Grade" corporate notes with fixed rates and maturities. Interest income is accrued as earned. The Company has both the intent and ability to hold these securities until maturity and, accordingly, has categorized these investments as "held-to-maturity" securities. As a result, unrealized gains and losses are excluded from net income.

Common Stocks - - Investments in Subsidiaries

The accompanying financial statements of Delta Dental of Rhode Island include the common stock investments of its wholly owned subsidiary, The Altus Group, Inc. Another subsidiary, Altus Realty, Inc. is a non-profit real estate holding company and is reported on Schedule BA. The values of these investments are reported using the equity method.

The income and expenses of Altus Realty Company and The Altus Group, Inc. are combined such that the net change for the year is included in "Net unrealized capital gains and losses" on line 36 in the Statement of Revenues and Expenses.

The Company contracts with an independent investment advisor to separately manage a portion of the Company's investment portfolio. As a result of this arrangement, common stocks of nonaffiliated companies were added to the Company's investment portfolio beginning in 2004. These common stocks, including investments in mutual funds, are valued at market as they are categorized as "available-for-sale" securities.

Claims and Claims Adjudication Expenses

The estimated liability for claims incurred but unpaid is actuarially determined based on an analysis of historical claims experience, modified for changes in enrollment, inflation and benefit coverage. The estimated liability for accrued claims adjudication expense represents the anticipated cost of processing claims incurred but unpaid at the balance sheet date. The estimates for claims and claims adjudication expenses may be more or less than the amount ultimately paid. Such changes in estimates are reflected in current period operations.

Additionally, in accordance with NAIC guidelines, the following accounting policies are either utilized or are not applicable to the company.

1. Short term investments are stated at cost.
2. Bonds are stated at amortized value using the constant yield / scientific method.
3. Common stocks in our investment portfolio are stated at market value. In accordance with NAIC guidelines starting at December 31, 2017, money market mutual funds are now reported as Cash on Schedule E and the Balance Sheet per the NAIC guidance.
4. The company does not own preferred stocks; hence this accounting policy is not applicable.
5. The company does not have mortgage loans directly; hence this accounting policy is not applicable. One of the company's subsidiaries, Altus Realty, owns the building and had mortgage debt associated with the company office facility. This debt was paid off in 2014.
6. Loan-backed securities are stated at amortized value using the constant yield / scientific method.
7. Investments in subsidiaries, controlled and affiliated entities are reported using the equity method.
8. Investments in joint ventures, partnerships and limited liability companies are valued based on quarterly and annual reports supplied by the joint ventures.
9. The company does not own derivatives; hence this accounting policy is not applicable.
10. The company does utilize anticipated investment income as a factor in the premium deficiency calculation.
11. The company methodologies for estimating the liabilities for losses and loss/claim adjustment expenses are actuarially derived as described above.

NOTES TO FINANCIAL STATEMENTS

There are no conditions or events that raise substantial doubt about the Company's ability to continue as a going concern.

NOTE 2 - - ACCOUNTING CHANGES AND CORRECTION OF ERRORS

The financial statements included in this filing do not contain any items that resulted from corrections of errors. Beginning with the December 31, 2001 annual filing the Company implemented the Codification of the NAIC Accounting Practices and Procedures Manual. This included the adoption of the Statement on Statutory Accounting Principles (SSAP) # 47 "Uninsured Plans".

SSAP 47 requires the exclusion of uninsured plan business for both premiums earned and claims incurred in the Statement of Revenues and Expenses. The Company has identified its Administrative Service Business (ASC), where the account, not Delta Dental of Rhode Island, has assumed the overall risk for the claims incurred and removed these components from both premiums earned and claims incurred in these 2019 and 2018 financial statements and the associated supporting exhibits. The administrative expenses reimbursed from ASC business is reported in the Annual Statement as "reimbursements by uninsured accident and health plans" in the Underwriting and Investment Exhibit Part 3 - Analysis of Expenses.

NOTE 6 - - JOINT VENTURES, PARTNERSHIPS and LIMITED LIABILITY COMPANIES

During 2019 and 2018, there has been \$5,000 and \$545,000 respectively of income from the company’s three joint ventures. The Company participates in three separate joint ventures with other Delta Dental Plans. These joint ventures started January 1, 2014, and Delta Dental of RI has taken a 3.02% risk share. One of these ventures experienced startup costs in the first year and more importantly network recruiting efforts had fallen short of what was assumed in the priced contractual premiums for the largest of these three programs. A projected loss over the full five year contract period for this venture had been recorded in the amount of approximately \$1,900,000 in 2014, which reflected the general partners most conservative assumptions. In 2018, the loss reserve was reduced by \$333,000. The other two smaller joint ventures had reported the remaining \$5,000 and \$212,000 of profitability in 2019 and 2018 respectively.

In 2019 and 2018, there was an increase of approximately \$482,000 and \$1,197,000 in the value of the existing venture capital funds. In 2019, there was a sale of an investment within the Venture Capital Funds resulting in a distribution of approximately \$364,000, which included a realized gain of approximately \$222,000. In 2018, there was a sale of an investment within the Venture Capital Funds resulting in a distribution of approximately \$972,000, which included a realized gain of approximately \$727,000. In 2019 and 2018, the company made additional contributions which increased its investments in the existing venture funds. These investments are reported on Schedule BA.

NOTE 7 - - INVESTMENT INCOME

Interest income is accrued as earned. At June 30, 2019 and December 31, 2018, the Company had no income due or accrued that it considered a non-admitted asset, as collection on accrued interest is reasonably assured for all Company investments.

For the two quarters ended June 30, 2019 and the year ended December 31, 2018, the Company performed GAAP analyses to determine whether declines in fair value below amortized cost were other than temporary impairment (“OTTI”) for the stock portfolio. Additionally, a statutory review of creditworthiness for the bond portfolio is performed.

NOTES TO FINANCIAL STATEMENTS

The Company's common stocks are recorded at fair market values. For stocks that meet the GAAP OTTI criteria, required OTTI adjustments result in a reduction of unrealized losses and an equivalent increase in realized losses as a result of writing down the original cost amount to the current market value for these specific common stocks where market value has fallen below cost by a defined percentage and time frame that meets the Company's OTTI criteria. GAAP OTTI adjustments were not necessary in the two quarters ended June 30, 2019 and were recorded for the stock portfolio in the amount of \$69,000 for the year ended December 31, 2018.

In addition to this GAAP OTTI analysis, a separate statutory adjustment is required for bonds that fall to an NAIC #3 rating. These statutory analyses resulted in a statutory temporarily impaired adjustment, no adjustments were required for the two quarters ended June 30, 2019 and for the year ended December 31, 2018, which would have reduced bond investments and reserves.

NOTE 8 - - DERIVATIVE INSTRUMENTS

As disclosed in Note 1 above, all investments consist of United States government and government agency securities, corporate notes with fixed rates and maturities, common stocks and two investments in wholly owned subsidiaries. During the periods ended June 30, 2019 and December 31, 2018, the Company had not utilized any derivative financial instruments. The related disclosures, specifically 8H, are all not applicable.

NOTE 9 - - FEDERAL INCOME TAXES

Delta Dental of Rhode Island is a not-for-profit corporation pursuant to Section 501(C)(4) of the Internal Revenue Code (IRC) and is exempt from federal income taxes under Section 501(a) of the IRC and, accordingly, no provision for income taxes has been made in the accompanying statutory financial statements. Altus Realty Company is also a not-for-profit real estate holding corporation under Section 501(C) (2) of the IRC, and as such has made no provision for income taxes. An \$11,800 excise tax has been expensed for the two quarters ended June 30, 2019.

The Company's other wholly owned subsidiary, The Altus Group, Inc., and its subsidiaries are for profit corporations. The Altus Group, Inc., including its subsidiaries Altus Dental, Inc., Altus Systems, Inc., Altus Dental Insurance Company Inc., Altus Ventures, Inc., First Circle, Inc. and First Circle Realty, Inc. file consolidated federal and state tax returns. For the two quarters ended June 30, 2019 and the year ended December 31, 2018, the tax provision of the Altus Group was \$364,000 and \$1,520,000.

As the company is a nonprofit entity, the NAIC required tables or disclosures, specifically including 9A1, 9A2, 9A3, 9A4 and 9C, are all not applicable to the Company.

NOTE 10 - - INFORMATION CONCERNING PARENT, SUBSIDIARIES AND AFFILIATES

A. In December of 2018, a new entity within the Altus Group, First Circle Realty, Inc. was formed to purchase the land and building at 10 Orms Street in Providence. The purchase was capitalized with \$6,500,000 and recorded as an intercompany transfer from the ultimate parent Company, Delta Dental of Rhode Island.

Previously, in the fourth quarter of 2016, a new entity within the Altus Group, First Circle, Inc. was also established and was capitalized with \$10,000,000 in the first quarter of 2017. In March of 2019, additional capital in the amount of \$5,000,000 was transferred to this new company. These amounts were recorded as intercompany transfers, as these capitalizations were from the ultimate parent Company, Delta Dental of Rhode Island. First Circle, Inc., a for-profit subsidiary, remains in the development stage. The Company is a services company that connects consumers with dentists for services not payable by insurance, and assists dental offices in promoting and increasing the efficiency of their offerings of such services through its

NOTES TO FINANCIAL STATEMENTS

proprietary Chewsi technological, transactional, payment processing and marketing services platform.

B. See section A above.

C. See section A above.

D. At June 30, 2019 and December 31, 2018, the Company has intercompany payables with/to the Altus Group, Inc. and other affiliates. Some of these balances resulted from the fact that Altus Dental Insurance Company maintained a sweep banking arrangement for the Altus Group and its subsidiaries. The remainder of these balances are related to allocated expenses.

Management's cash flow projections for The Altus Group, Inc. and its subsidiaries are made based on a number of factors, which affect the changes in the intercompany balances over the period of time being analyzed. The most significant factors include: the relative and absolute growth in enrollment levels for Altus Dental Insurance Company, Inc.; the amount and rate of increase in operating and administrative expenses; the level of success Altus Dental, Inc. experiences in developing and maintaining its dental network; and the level of resources required by Altus Dental, Inc. for recruitment and marketing functions. Management's current cash flow projections for the dental operations of The Altus Group, Inc. and its subsidiaries projects profitability going forward and that the intercompany advances will be reduced gradually over time.

See Schedule Y of the 2018 Annual Statement – Part 2 – Summary of Insurers Transactions with any Affiliates.

F. Delta Dental of RI (DDRI) and Altus Dental Insurance Company are allocated expenses from Altus Systems, Inc., a subsidiary within the Altus Group. Altus Systems (AS) is the company that employs the operations staff necessary to administer the dental business of both

NOTES TO FINANCIAL STATEMENTS

DDRI and Altus Dental Insurance Company. As a for-profit company, AS “sells” its dental related services to its sister and ultimate parent company at a 2% markup over its costs (to satisfy IRS requirements); therefore AS generates net income on its dental operations. The allocations from Altus Systems are based on the Company’s member enrollment levels as a percentage of total consolidated dental member enrollment.

The Parent Company’s one dental insurance subsidiary, Altus Dental Insurance Company, is allocated expenses from three affiliated Companies, the ultimate Parent, Delta Dental of RI and two sister companies (Altus Systems, Inc. and Altus Dental, Inc.) within the Altus Group. The allocations from Delta and Altus Systems are based on the Company’s member enrollment levels as a percentage of total consolidated dental member enrollment. Expenses from Altus Dental are based on the number of subscribers under contract by the Company. The main allocated expenses from each source are as follows:

- Expenses are allocated from Delta Dental (DDRI), for costs associated with a portion of consolidated expenses incurred by DDRI that should be spread between the two insurance companies. The main costs in this category would be rent, depreciation and payroll and fringes benefit costs for the various departments that service both insurance Companies, such as Underwriting and Finance.
- Altus Systems (AS) is the company that employs the operations staff necessary to administer the dental business of both DDRI and this Company, such as claims processing and customer service.
- Altus Dental incurs costs related to: (1) advertising, (2) recruiting and servicing the provider network, and (3) sales and marketing activities. These costs are then allocated to the Company based on the volume of subscriber dental contracts.

Altus Realty Company, a wholly owned subsidiary of the Company, is a non-profit real estate holding company that holds title to and manages the building at 10 Charles Street in Providence, RI. The Company (Delta Dental of Rhode Island) presently rents approximately one half of the existing space within this building. For the two quarters ended June 30, 2019 and the year ended December 31, 2018, this entity reported total revenues of \$1,010,000 and \$1,988,000 and net income of \$224,000 and \$391,000.

The Altus Group, Inc. is a wholly owned subsidiary of the Company and was established as a for-profit entity in 1999 for the purpose of expanding the Company’s offering of prepaid dental care coverage. For the two quarters ended June 30, 2019 and the year ended December 31, 2018, after elimination of intercompany transactions, The Altus Group, Inc., generated gains of \$1,368,000 and \$3,614,000.

Employer contributions vest 100% after two years of service. The Company's contributions to this plan were \$141,000 and \$275,000 for the two quarters ended June 30, 2019 and the year ended December 31, 2018.

NOTE 22 - - EVENTS SUBSEQUENT

The Company has no events subsequent to June 30, 2019 that would warrant disclosure in these statutory 2019 financial statements.

In accordance with SSAP 35R, the twelve month estimated 2018 ACA assessment in the amount of \$841,948 was expensed in the first quarter of 2018. The final revised amount of \$746,843 was paid on September 30, 2018. The company recorded \$841,948 as restricted reserves in the December 31, 2017 filing, based on actual 2017 premiums. Additionally, no amount has been recorded as restricted reserves at December 31, 2018 due to another one year moratorium. This will result in no payment for the 2018 statutory premiums, which would have been utilized in the 2019 ACA assessment and would have been due September 30, 2019.

NOTE 23 - - REINSURANCE

The Company utilizes no reinsurance arrangements in its underwriting of dental premiums to companies headquartered in the State of Rhode Island. The related note disclosures, specifically including 23B, 23C, 23D(1)a, and 23D(2)a, are all not applicable.

NOTE 24 - - RETROSPECTIVELY RATED CONTRACTS

The Company estimates accrued retrospective premium adjustments for each contractual group by projecting incurred losses based on group claims paid data. This data is updated and analyzed monthly and accrued retrospective premium adjustments are recorded monthly to earned premiums. The amount of net annual premiums written by the Company that are subject to retrospective rating or are contingent premiums (based on actual claims incurred) approximates \$2,311,000 and \$2,399,000 at June 30, 2019 and December 31, 2018. The related note disclosures, specifically including 24D and 24E, are all not applicable.

NOTE 25 - - CHANGE IN INCURRED CLAIMS AND CLAIMS ADJUSTMENT EXPENSES

Reserves as of December 31, 2018 were \$4,186,000. As of June 30, 2019, \$3,058,558 has been paid for incurred claims and claim adjustment expenses attributable to insured events of prior years. Reserves remaining for prior years are now \$272,826 as a result of re-estimation of unpaid claims and claim adjustment expenses principally on dental line of insurance. Therefore, there has been an \$854,616 favorable prior-year development since December 31, 2018 to June 30, 2019. The decrease is generally the result of ongoing analysis of recent loss development trends. Original estimates are increased or decreased, as additional information becomes known regarding individual claims. Included in this decrease, the Company experienced no unfavorable prior year claim development on retrospectively rated policies. However, the business to which it relates is subject to premium adjustments.

NOTE 26 - - INTERCOMPANY POOLING ARRANGEMENTS

The Company utilizes no intercompany pooling arrangements in its dental premium underwriting.

NOTE 27 - - STRUCTURED SETTLEMENTS

NOTES TO FINANCIAL STATEMENTS

The Company has no receivables that would be considered Health Care Receivables under SSAP #84. Accordingly, pharmacy rebates and risk sharing receivables are not currently applicable to the Company's operations.

The company does not have any risk sharing receivables. The related note disclosures are all not applicable.

NOTE 29 - - PARTICIPATING POLICIES

The Company does not underwrite any business that would result in group accident or health participating policies. Accordingly, policy dividends are not applicable to the Company's operations.

The Company does not maintain any amount of premium deficiency reserves. The related note disclosures are all not applicable.

NOTE 31 - - ANTICIPATED SALVAGE AND SUBROGATION

This liability reflects no reductions for salvage and subrogation recoveries, which are recorded in the year of receipt.
