#### (B) Use of Estimates in the Preparation of the Financial Statements

The preparation of the financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### (C) Accounting Policy

##### Investment Income and Declines in Fair Value

The Company periodically reviews its bonds and common stocks to determine whether a decline in fair value below the amortized cost basis is other than temporary. The process for identifying declines in the fair value of investments that are other than temporary involves consideration of several factors. These factors include (1) the period in which there has been a significant decline in value; (2) an analysis of the liquidity, business prospects, and overall financial condition of the issuer; (3) the significance of the decline; and (4) our intent and ability to hold the investment for

## NOTES TO FINANCIAL STATEMENTS

a sufficient period for the value to recover. When our analysis of the above factors results in the conclusion that declines in fair values are other than temporary, the cost of the securities is written down to fair value and is reflected as a realized loss.

### **Bonds**

Bond investments are stated at amortized cost and consist of government agency securities as well as "Investment Grade" corporate notes with fixed rates and maturities. Interest income is accrued as earned. The Company has both the intent and ability to hold these securities until maturity and, accordingly, has categorized these investments as "held-to-maturity" securities. As a result, unrealized gains and losses are excluded from net income.

### **Common Stocks - - Investments in Subsidiaries**

The accompanying financial statements of Delta Dental of Rhode Island include the common stock investments of its wholly owned subsidiary, The Altus Group, Inc. Another subsidiary, Altus Realty, Inc. is a non-profit real estate holding company and is reported on Schedule BA. The values of these investments are reported using the equity method.

The income and expenses of Altus Realty Company and The Altus Group, Inc. are combined such that the net change for the period is included in "Net unrealized capital gains and losses" on line 36 in the Statement of Revenues and Expenses.

The Company contracts with an independent investment advisor to separately manage a portion of the Company's investment portfolio. As a result of this arrangement, common stocks of nonaffiliated companies were added to the Company's investment portfolio beginning in 2004. These common stocks, including investments in mutual funds, are valued at market as they are categorized as "available-for-sale" securities.

### **Claims and Claims Adjudication Expenses**

The estimated liability for claims incurred but unpaid is actuarially determined based on an analysis of historical claims experience, modified for changes in enrollment, inflation and benefit coverage. The estimated liability for accrued claims adjudication expense represents the anticipated cost of processing claims incurred but unpaid at the balance sheet date. The estimates for claims and claims adjudication expenses may be more or less than the amount ultimately paid. Such changes in estimates are reflected in current period operations.

Additionally, in accordance with NAIC guidelines, the following accounting policies are either utilized or are not applicable to the company.

1. Short term investments are stated at cost.
2. Bonds are stated at amortized value using the constant yield / scientific method.
3. Common stocks in our investment portfolio are stated at market value. In accordance with NAIC guidelines starting at December 31, 2017, money market mutual funds are now reported as Cash on Schedule E and the Balance Sheet per the NAIC guidance.
4. The company does not own preferred stocks; hence this accounting policy is not applicable.
5. The company does not have mortgage loans directly; hence this accounting policy is not applicable. One of the company's subsidiaries, Altus Realty, owns the building and originally had mortgage debt associated with the company office facility. This debt was paid off in 2014.
6. Loan-backed securities are stated at amortized value using the constant yield / scientific method.
7. Investments in subsidiaries, controlled and affiliated entities are reported using the equity method.
8. Investments in joint ventures, partnerships and limited liability companies are valued based on quarterly and annual reports supplied by the joint ventures.
9. The company does not own derivatives; hence this accounting policy is not applicable.
10. The company does utilize anticipated investment income as a factor in the premium deficiency calculation.

## NOTES TO FINANCIAL STATEMENTS

11. The company methodologies for estimating the liabilities for losses and loss/claim adjustment expenses are actuarially derived as described above.
12. The capitalization policy and the predefined thresholds did not change from the prior period.
13. The company does not use pharmaceutical rebate receivables; hence this accounting policy is not applicable.

### (D) Going Concern

There are no conditions or events that raise substantial doubt about the Company's ability to continue as a going concern.

### NOTE 2 - - ACCOUNTING CHANGES AND CORRECTIONS OF ERRORS

The financial statements included in this filing do not contain any items that resulted from corrections of errors. Beginning with the December 31, 2001 annual filing the Company implemented the Codification of the NAIC Accounting Practices and Procedures Manual. This included the adoption of the Statement on Statutory Accounting Principles (SSAP) # 47 "Uninsured Plans".

SSAP 47 requires the exclusion of uninsured plan business for both premiums earned and claims incurred in the Statement of Revenues and Expenses. The Company has identified its Administrative Service Business (ASC), where the account, not Delta Dental of Rhode Island, has assumed the overall risk for the claims incurred and removed these components from both premiums earned and claims incurred in these 2020 and 2019 financial statements and the associated supporting exhibits. The administrative expenses reimbursed from ASC business is reported in the Annual Statement as "reimbursements by uninsured accident and health plans" in the Underwriting and Investment Exhibit Part 3 - Analysis of Expenses.

### NOTE 6 - - JOINT VENTURES, PARTNERSHIPS and LIMITED LIABILITY COMPANIES

During 2020 and 2019, there has been income of \$450,000 and \$126,000 respectively from the company’s three joint ventures. The Company participates in three separate joint ventures with other Delta Dental Plans. These joint ventures started January 1, 2014, and Delta Dental of RI has taken a 3.02% risk share. One of these ventures experienced startup costs in the first year and more importantly network recruiting efforts had fallen short of what was assumed in the priced contractual premiums for the largest of these three programs. A projected loss over the full five year contract period for this venture had been recorded in the amount of approximately \$1,900,000 in 2014, which reflected the general partners most conservative assumptions. In 2020 and 2019, the loss reserve was reduced by \$132,000 and \$165,000. The other two smaller joint ventures had reported the remaining gains of \$318,000 in 2020 and losses of \$39,000 in 2019 respectively.

In 2020 and 2019, there was an increase of approximately \$43,000 and \$1,479,000 in the value of the existing venture capital funds. In 2020, there was one sale of investment within the Venture Capital Funds. This resulted in a distribution of approximately \$369,000, which included realized gains of approximately \$189,000. In 2019, there were two sales of investments within the Venture Capital Funds. This resulted in distributions of approximately \$709,000, which included realized gains of approximately \$466,000. In 2020 and 2019, the company made additional contributions which increased its investments in the existing venture funds. These investments are reported on Schedule BA.

### NOTE 7 - - INVESTMENT INCOME

Interest income is accrued as earned. At June 30, 2020 and December 31, 2019, the Company had no income due or accrued that it considered a non-admitted asset, as collection on accrued interest is reasonably assured for all Company investments.

For the quarter ended June 30, 2020 and the year ended December 31, 2019, the Company performed GAAP analyses to determine whether declines in fair value below amortized cost

## NOTES TO FINANCIAL STATEMENTS

were other than temporary impairment (“OTTI”) for the stock portfolio. Additionally, a statutory review of creditworthiness for the bond portfolio is performed.

The Company’s common stocks are recorded at fair market values. For stocks that meet the GAAP OTTI criteria, required OTTI adjustments result in a reduction of unrealized losses and an equivalent increase in realized losses as a result of writing down the original cost amount to the current market value for these specific common stocks where market value has fallen below cost by a defined percentage and time frame that meets the Company’s OTTI criteria. GAAP OTTI adjustments were not necessary for the two quarters ended June 30, 2020 and were recorded for the stock portfolio in the amount of \$25,000 for the year ended December 31, 2019.

In addition to this GAAP OTTI analysis, a separate statutory adjustment is required for bonds that fall to an NAIC #3 rating. These statutory analyses can result in a statutory temporarily impaired adjustment, however no adjustments were required for the two quarters ended June 30, 2020 and for the year ended December 31, 2019, which would have reduced bond investments and reserves.

### NOTE 8 - - DERIVATIVE INSTRUMENTS

As disclosed in Note 1 above, all investments consist of United States government and government agency securities, corporate notes with fixed rates and maturities, common stocks and two investments in wholly owned subsidiaries. During the two quarters ended June 30, 2020 and year ended December 31, 2019, the Company had not utilized any derivative financial instruments, therefore, the related disclosures, specifically 8A(8), and 8B(2) through 8B(4) are all not applicable.

### NOTE 9 - - INCOME TAXES

Delta Dental of Rhode Island is a not-for-profit corporation pursuant to Section 501(C)(4) of the Internal Revenue Code (IRC) and is exempt from federal income taxes under Section 501(a) of the IRC and, accordingly, no provision for income taxes has been made in the accompanying statutory financial statements. Altus Realty Company is also a not-for-profit real estate holding corporation under Section 501(C) (2) of the IRC, and as such has made no provision for income taxes. There will be no excise tax expense in 2020. A \$39,000 excise tax was expensed for the year ended December 31, 2019. In lieu of state income taxes, Delta Dental of Rhode Island pays a premium based tax to the State of Rhode Island.

The Company’s other wholly owned subsidiary, The Altus Group, Inc., and its subsidiaries are for profit corporations. The Altus Group, Inc., including its subsidiaries Altus Dental, Inc., Altus Systems, Inc., Altus Dental Insurance Company, Inc., Altus Ventures, Inc., First Circle, Inc. and First Circle Realty, Inc. file consolidated federal and state tax returns. For the two quarters ended June 30, 2020 and the year ended December 31, 2019, the tax provision of the Altus Group was \$2,277,000 and \$1,174,000.

As the company is a nonprofit entity, the NAIC required tables or disclosures, specifically including 9A1, 9A2, 9A3, 9A4, 9C and 9I, are all not applicable to the Company.

### NOTE 10 - - INFORMATION CONCERNING PARENT, SUBSIDIARIES, AFFILIATES AND OTHER RELATED PARTIES

A. In December of 2018, a new entity within the Altus Group, First Circle Realty, Inc. was formed to purchase the land and building at 10 Orms Street in Providence. The purchase was capitalized with \$6,500,000 and recorded as an intercompany transfer from the ultimate parent Company, Delta Dental of Rhode Island.

Previously, in the fourth quarter of 2016, a new entity within the Altus Group, First Circle, Inc. was also established and was capitalized with \$10,000,000 in the first quarter of

## NOTES TO FINANCIAL STATEMENTS

2017. In March of 2019, additional capital in the amount of \$5,000,000 was transferred to this company. These amounts were recorded as intercompany transfers, as these capitalizations were from the ultimate parent Company, Delta Dental of Rhode Island. First Circle, Inc., a for-profit subsidiary, remains in the development stage. The Company is a services company that connects consumers with dentists for services not payable by insurance, and assists dental offices in promoting and increasing the efficiency of their offerings of such services through its proprietary Chewsi technological, transactional, payment processing and marketing services platform.

B. See section A above.

C. See section A above.

D. At June 30, 2020 and December 31, 2019, the Company has intercompany payables with/to the Altus Group, Inc. and other affiliates. Some of these balances resulted from the fact that Altus Dental Insurance Company previously maintained a sweep banking arrangement for the Altus Group and its subsidiaries. The remainder of these balances are related to allocated expenses.

Management's cash flow projections for The Altus Group, Inc. and its subsidiaries are made based on a number of factors, which affect the changes in the intercompany balances over the period of time being analyzed. The most significant factors include: the relative and absolute growth in enrollment levels for Altus Dental Insurance Company, Inc.; the amount and rate of increase in operating and administrative expenses; the level of success Altus Dental, Inc. experiences in developing and maintaining its dental network; and the level of resources required by Altus Dental, Inc. for recruitment and marketing functions. Management's current cash flow projections for the dental operations of The Altus Group, Inc. and its subsidiaries projects profitability going forward and that the intercompany advances will be reduced gradually over time.

See Schedule Y of the 2019 Annual Statement – Part 2 – Summary of Insurers Transactions with any Affiliates.

## NOTES TO FINANCIAL STATEMENTS

E. The requirements of section E specify that the company is required to disclose guarantees and undertakings in accordance with SSAP #5. Per this NAIC guidance, this information is disclosed in Note #14.

F. Delta Dental of RI (DDRI) and Altus Dental Insurance Company are allocated expenses from Altus Systems, Inc., a subsidiary within the Altus Group. Altus Systems (AS) is the company that employs the operations staff necessary to administer the dental business of both DDRI and Altus Dental Insurance Company. As a for-profit company, AS “sells” its dental related services to its sister and ultimate parent company at a 2% markup over its costs (to satisfy IRS requirements); therefore AS generates net income on its dental operations. The allocations from Altus Systems are based on the Company’s member enrollment levels as a percentage of total consolidated dental member enrollment.

The Parent Company’s one dental insurance subsidiary, Altus Dental Insurance Company, is allocated expenses from three affiliated Companies, the ultimate Parent, Delta Dental of RI and two sister companies (Altus Systems, Inc. and Altus Dental, Inc.) within the Altus Group. The allocations from Delta and Altus Systems are based on the Company’s member enrollment levels as a percentage of total consolidated dental member enrollment. Expenses from Altus Dental are based on the number of subscribers under contract by the Company. The main allocated expenses from each source are as follows:

- Expenses are allocated from Delta Dental (DDRI), for costs associated with a portion of consolidated expenses incurred by DDRI that should be spread between the two insurance companies. The main costs in this category would be rent, depreciation and payroll and fringes benefit costs for the various departments that service both insurance Companies, such as Underwriting and Finance.
- Altus Systems (AS) is the company that employs the operations staff necessary to administer the dental business of both DDRI and this Company, such as claims processing and customer service.
- Altus Dental incurs costs related to: (1) advertising, (2) recruiting and servicing the provider network, and (3) sales and marketing activities. These costs are then allocated to Altus Dental Insurance Company based on the volume of subscriber dental contracts.

Altus Realty Company, a wholly owned subsidiary of the Company, is a non-profit real estate holding company that holds title to and manages the building at 10 Charles Street in Providence, RI. The Company (Delta Dental of Rhode Island) presently rents approximately one half of the existing space within this building. For the two quarters ended June 30, 2020 and the year ended December 31, 2019, this entity reported total revenues of \$1,044,000 and \$2,042,000 and net income of \$404,000 and \$455,000.

The Altus Group, Inc. is a wholly owned subsidiary of the Company and was established as a for-profit entity in 1999 for the purpose of expanding the Company’s offering of prepaid dental care coverage. For the two quarters ended June 30, 2020 and the year ended December 31, 2019, after elimination of intercompany transactions, The Altus Group, Inc., generated gains of \$7,803,000 and \$4,832,000.

G. The nature of Delta Dental of Rhode Island’s relationship with all subsidiaries is disclosed in Footnote #1 under the Common Stock – Investments in Subsidiaries section.

H. The consolidated holding company maintains no upstream intermediate entities. This type of structured entity is not applicable to the corporate structure of Delta Dental of Rhode Island and all subsidiaries.

I. Section #1– name and percentage ownership of each SCA entity – like G (above), the nature of Delta Dental of Rhode Island’s relationship with all subsidiaries is disclosed in Footnote #1 under the Common Stock – Investments in Subsidiaries section.

- Section #2 – The Altus Group has filed a Sub 2 filing with the SVU. This entity reported a value of \$62,969,980 using the equity method as of December 31, 2019.

Employer contributions vest 100% after two years of service. The Company's contributions to this plan were \$198,000 and \$272,000 for the two quarters ended June 30, 2020 and the year ended December 31, 2019.

Actuary valuations were used to measure plan assets and obligations as of December 31, 2019 and 2018.

		2019	2018

### NOTE 14 - - LIABILITIES, CONTINGENCIES AND ASSESSMENTS

The Company has entered into employment contracts with certain key employees. These employment contracts vary in length. At December 31, 2019 the Company's total commitment under these employment contracts approximated \$1,923,000.

There are no contingent liabilities arising from litigation, which would be considered material in relation to the Company's financial position. Accordingly, the Company has committed no reserves to cover any contingent liabilities.

On February 6, 2017, Delta Dental of Rhode Island received notice from the Massachusetts Department of Revenue alleging that it failed to file certain Preferred Provider Organization ("PPO") excise tax returns. Delta Dental of Rhode Island is one of several Delta Dental Plans Association member companies that received this notice, which alleges that excise taxes are due retroactively from the year ending December 31, 2006. Delta Dental of Rhode Island and the other Delta Dental Plans strongly disagree with this interpretation of the premium tax regulations by the Massachusetts Department of Revenue. Delta Dental of Rhode Island is aggressively contesting this assessment.

The Company, along with the Delta Dental Plans Association (DDPA), DeltaUSA, and the other independent DDPA member companies, is defending a collection of lawsuits that have been filed in at least ten different district courts. The parties have requested that the cases be consolidated before a single district court for pretrial proceedings. The plaintiffs, representing purported classes of dental providers, allege that various Association member company licensing standards violate federal antitrust laws. The Company believes the claims are meritless and intends to vigorously defend this case. At this point, it is too early in the proceedings to determine the outcome of the matter or the range or amount of any potential loss.

The Company has issued an unlimited parental guaranty, dated September 15, 2000, on behalf of Altus Dental Insurance Company, Inc., a subsidiary of The Altus Group Inc. The guaranty states that any and all claims and obligations of Altus Dental Insurance Company, Inc. to its subscribers and policyholders will be funded and satisfied by the Company in the event of any inability of Altus Dental Insurance Company, Inc. to satisfy such claims and obligations.

This guaranty became effective in September 2002 as Altus Dental Insurance Company, Inc. began underwriting dental insurance in Massachusetts at that time.

The following which are applicable to the company are described below.

- A. Contingent commitments – Not applicable
- B. Assessments – Not applicable
- C. Gain contingencies – Not applicable

### NOTE 18 - - GAIN OR LOSS TO THE REPORTING ENTITY FROM UNINSURED PLANS AND THE UNINSURED PORTION OF PARTIALLY INSURED PLANS

The Company's policy regarding underwriting and pricing for uninsured or partially insured accident and health plans has been to determine that the administrative premium charged to each account covers all incremental costs (directly associated with servicing the specific account) plus a share of fixed and variable operating expenses to be incurred by the Company during the contract period.

As discussed in Note 1 and 2, for the December 31, 2001 annual filing the Company implemented the Statement on Statutory Accounting Principles (SSAP) # 47 "Uninsured Plans". ### NOTE 22 - - EVENTS SUBSEQUENT

The Company has two events subsequent to June 30, 2020 that would warrant disclosure in these statutory 2020 financial statements and are listed below.

In December 2019, a novel strain of coronavirus (SARS-CoV-2), which causes COVID-19, was reported to have surfaced in China. In March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic, and the U.S. economy began to experience pronounced effects. On March 16, 2020, in response to the COVID-19 outbreak the American Dental Association recommended dental providers nationwide postpone elective surgeries and remain open only for emergency dental procedures through April 30, 2020. On March 29, 2020, the Governor of the State of Rhode Island issued a “Stay Home” order, requiring that all employees who can work from home do so and also the closure of all non-essential businesses and operations through at least May 8, 2020. The extent of the impact of these events and the broader COVID-19 outbreak on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our customers, employees and vendors, and performance of our investment portfolio, all of which are uncertain and cannot be predicted. Our investment portfolio which is comprised of bond and equity securities is subject to credit risks related to the underlying issuers of such securities as well as broader interest rate and market risks. At this point, the extent to which COVID-19 may impact our financial condition or results of operations is uncertain.

On March 30, 2020, in response to the COVID-19 pandemic, the Company implemented an emergency interest-free Advance Claims Payment Program (“ACPP”) that is available to its

## NOTES TO FINANCIAL STATEMENTS

participating dentists across the State of Rhode Island. The program is designed to provide over \$4 million of financial relief to dentists impacted by economic disruptions related to COVID-19. As of April 30, 2020, the Company is currently committed to funding advance claims payments to its participating dentists totaling \$1,083,080.

Given the additional procedures dentists are now required to follow it is Management's belief that claim volumes will be lower than what was forecasted. As a result, the Company will be instituting an initial premium credit for its fully insured accounts, equal to 30% of premiums for the months of June, July and August. Should claims volumes remain below budget, Management will extend this program beyond August in all likelihood.

In accordance with SSAP 35R, the twelve month estimated 2020 ACA assessment in the amount of \$881,081 was expensed in the first quarter of 2020. The company recorded \$881,081 as restricted reserves in the December 31, 2019 filing, based on actual 2019 premiums. Additionally, no amount had been recorded as restricted reserves at December 31, 2018 due to a one year moratorium. This resulted in no payment for the 2018 statutory premiums, which would have been utilized in the 2019 ACA assessment and would have been due September 30, 2019.

### NOTE 24 - - RETROSPECTIVELY RATED CONTRACTS & CONTRACTS SUBJECT TO REDETERMINATION

The Company estimates accrued retrospective premium adjustments for each contractual group by projecting incurred losses based on group claims paid data. This data is updated and analyzed monthly and accrued retrospective premium adjustments are recorded monthly to earned premiums. The amount of net annual premiums written by the Company that are subject to retrospective rating or are contingent premiums (based on actual claims incurred) approximates \$2,436,000 and \$2,482,000 at June 30, 2020 and December 31, 2019. The related note disclosures, specifically including 24D and 24E, are all not applicable.

### NOTE 25 - - CHANGE IN INCURRED CLAIMS AND CLAIMS ADJUSTMENT EXPENSES

Loss reserves as of December 31, 2019 were \$3,420,000. As of June 30, 2020, \$2,906,366 has been paid for incurred claims and claim adjustment expenses attributable to insured events of prior years. Reserves remaining for prior years are now \$274,118 as a result of re-estimation of

---

unpaid claims and claim adjustment expenses principally on dental line of insurance. Therefore, there has been a \$239,516 favorable prior-year development since December 31, 2019 to June 30, 2020. The decrease is generally the result of ongoing analysis of recent loss development trends. Original estimates are increased or decreased, as additional information becomes known regarding individual claims. Included in this decrease, the Company experienced no unfavorable prior year claim development on retrospectively rated policies. However, the business to which it relates is subject to premium adjustments.

**NOTE 26 - - INTERCOMPANY POOLING ARRANGEMENTS**

The Company utilizes no intercompany pooling arrangements in its dental premium underwriting.

**NOTE 27 - - STRUCTURED SETTLEMENTS**

As documented in the NAIC Annual Statement filing instructions for 2020 and 2019, this footnote is not applicable to health insurance insurers.

**NOTE 28- - HEALTH CARE RECEIVABLES**

The Company has no receivables that would be considered Health Care Receivables under SSAP #84. Accordingly, pharmacy rebates and risk sharing receivables are not currently applicable to the Company's operations.

The company does not have any risk sharing receivables. The related note disclosures are all not applicable.

**NOTE 29 - - PARTICIPATING POLICIES**

The Company does not underwrite any business that would result in group accident or health participating policies. Accordingly, policy dividends are not applicable to the Company's operations.

**NOTE 30 - - PREMIUM DEFICIENCY RESERVES**

The Company does not maintain any amount of premium deficiency reserves. The related note disclosures are all not applicable.

**NOTE 31 - - ANTICIPATED SALVAGE AND SUBROGATION**

The Company's liability for unpaid claims is actuarially determined based on an analysis of historical claims experience, modified for changes in enrollment, inflation and benefit coverage. This liability reflects no reductions for salvage and subrogation recoveries, which are recorded in the year of receipt.
