Substantive Policy Statement 2022-02¹(DIFI)

2022 Arizona Insurance and Financial Institutions Laws

Pursuant to Arizona Revised Statutes (“A.R.S.”) § 41-1091 the Arizona Department of Insurance and Financial Institutions (“Department”) occasionally issues Substantive Policy Statements to express the Department’s position on current industry practices and to provide the Department’s interpretation regarding Arizona law requirements. The Department’s Substantive Policy Statements are intended to promote a level playing field and uniform application of statutory provisions to consumers and industry.

I. Purpose

The purpose of this Substantive Policy Statement is to summarize the major, newly enacted legislation affecting the Department, its licensees and consumers.

II. Scope

This Substantive Policy Statement is not meant as an exhaustive list or a detailed analysis of all Department-related bills. It generally describes the substantive content but does not capture all details or necessarily cover all bills that may be of interest to a particular reader. The Department may follow this bulletin with more detailed bulletins related to the implementation of specific legislation.

III. Background

Arizona’s Fifty-fifth Legislature, Second Regular Session, adjourned *sine die* on June 25, 2022. Except as otherwise noted, all legislation has a general effective date of **September 24, 2022**. The following seventeen bills passed during Arizona’s Fifty-fifth Legislative session.

¹ This Substantive Policy Statement is advisory only. A Substantive Policy Statement does not include internal procedural documents that only affect the internal procedures of the Agency, and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this Substantive Policy Statement does impose additional requirements or penalties on regulated parties you may petition the agency under Arizona Revised Statutes Section 41-1033 for a review of the Statement.

IV. Department Position

[Laws 2022, Chapter 368 \(H2120\): Workers Compensation; Injury Reports](#)

Amends A.R.S. §§ 23-414, 32-418, 23-908, and 23-963.01

When reporting workers compensation injuries, employers are only required to report injuries requiring medical treatment, which does not include any one time, short-term treatment, by nonmedical staff, that requires little technology or training to administer. Changes to ARS 23-963.01 further codifies that the national nonprofit insurance rating organization (NCCI) must reduce an employer's experience modification calculation for medical-only loss claims.

[Laws 2022, Chapter 219 \(H2144\): Health Insurance Coverage; Biomarker Testing](#)

Creates A.R.S. §§ 20-841.13, 20-1057.19, 20-1376.10, 20-1406.10 and 36-2907.03

On or after January 1, 2023, all health insurers' policies must ensure coverage, as an essential health benefit, for biomarker testing for diagnosis, treatment, appropriate management, or ongoing monitoring of a subscriber's disease or condition when the test provides clinical utility as demonstrated by medical and scientific evidence. Insurers must ensure that coverage is provided in a manner that limits disruptions in care. The Arizona Health Care Cost Containment System Administration and its contractors are required to provide biomarker testing for the same purposes as an essential health benefit.

[Laws 2022, Chapter 66 \(HB2171\): Salvage Vehicles Titles; Insurance Companies](#)

Amends A.R.S. § 28-2091

A vehicle that is acquired by an insurance company as a result of a total loss insurance settlement is no longer required to have a notarized signature on the certificate of title or any supporting documents required for title transfer for a salvage, stolen vehicle, or no repairable vehicle certificate of title.

[Laws 2022, Chapter 176 \(HB2203\): Special Purpose Banks; Comparable; Rights](#)

Amends A.R.S. § 6-330

Except as prohibited by federal law, an out-of-state bank doing business in Arizona has all of the rights, powers and privileges and is entitled to the same exemptions and immunities as a comparable in-state financial institution and is subject to all of the provisions of statute to the same extent as a comparable in-state financial institution. Applies to any special purpose depository institution that is chartered as a bank.

[Laws 2022, Chapter 89 \(HB 2272\): Insurance; Secondary Sources](#)

Creates A.R.S. § 20-110

A secondary source on insurance does not constitute the law or public policy of Arizona and is not authoritative if the secondary source purports to create, eliminate, expand or restrict a cause of action, right or remedy, or if it conflicts with the U.S. Constitution, state Constitution, state law, Arizona's case law precedent, or other common law that may have been adopted by Arizona. Sources include legal treatise, scholarly publications, textbooks or other explanatory text.

Laws 2022, Chapter 243 (HB 2323): Homeowner’s Insurance; Dogs; Nondiscrimination

Amends A.R.S. § 11-1025, Creates A.R.S. § 20-1510.

The breed of a dog cannot be considered in findings of fact or conclusions of law entered by a court or other specified legal decision makers regarding whether a dog is "aggressive" or "vicious" (both defined) or has created liability.

The breed of a dog cannot be the sole factor considered or used in association with the following activities related to a homeowner’s or renter’s insurance policy: 1) underwriting or actuarial processes for determining risk, liability or potential losses related to claims involving dogs, and 2) in various means of gathering information under . Applies to new policies of insurance and renewed policies of insurance issued beginning July 1, 2023.

Laws 2022, Chapter 265 (HB2599): Administrative Hearings; GRRC

Amends A.R.S. §§ 12-348, 32-4302, 41-1009, 41-1030, 41-1033, 41-1092, 41-1092.03, 41-1092.07, 41-1092.08, 41-1092.12; Creates A.R.S. §§ 32-4304, 41-1039; Removes A.R.S. § 41-1033

Before any “regulating entity” (department) takes any official action to deny a professional or occupational reciprocal license issued pursuant to A.R.S. Title 32, the department is required to submit the application and the reason for denial to the Governor for review. Beginning July 1, 2022, the department is required to track information about applications and annually report that information to the Governor. The department is required to post a list of specified information relating to licensure on the entity website. Makes various changes to statutes related to administrative procedures.

The department is prohibited from submitting proposed rules to the Governor’s Regulatory Review Council (GRRC) without a written final approval from the Governor. Establishes a list of circumstances that the department must address as justification for the rulemaking when seeking approval. When submitting a rulemaking request, the department is required to recommend for consideration by the Governor at least three existing rules to eliminate for every additional rule requested by the agency. The list of reasons a person is authorized to petition GRRC to review a rule is expanded to include if the rule exceeds an agency's statutory authority.

Laws 2022, Chapter 59 (HB2612): Occupational Regulation

Amends A.R.S. Titles 3, 4, 5, 6, 20, 28, 32, 36, 41 and 44

Removes all statutes governing occupational regulations, requirements that an applicant, licensee, permittee, or other person be of "good moral character" or similar.

Laws 2022, Chapter 157 (HB2698): Insurance; Assignment of Benefits

Amends A.R.S. § 20-464

The statute prohibiting insurance payments for services from being made to anyone other than the health care provider to whom payment was assigned, now applies to an insurer whether they are acting as an insurer or performing administrative services.

Laws 2022, Chapter 342 (SB 1118): Insurance; Fees; Consent; Medicare Supplement

Amends A.R.S. §§ 20-167, 20-239, 20-381, 20-1133, 20-1379, 20-1382, 20-1583 and 20-2310

Creates various changes to statutes relating to insurance.

The minimum possible fee for a certificate of director is reduced to \$0, from \$1.50.

Specifies that an oral communication with a contemporaneous written record or recording made of the communication shall qualify as a consent agreement for using electronic communication with the insurer. The oral consent does not constitute an agreement by the insured for any matter. Insurers must retain the written or recorded records in accordance with their record retention policies and A.R.S. § 20-157 .

Clarifies the definition of an “Advisory Organization” is an entity that makes rates for two or more insurers or rate service organizations.

Defines an “early enrollment discount” associated with Medicare supplement rates and specifies that such discounts are not attained age rating as long as the discount diminishes over a period of time and is only available to enrollees who purchase the plan within the early enrollment period designated by the insurer. Insurers must disclose to all applicants how the discount will diminish over time. Suspends the requirement that insurers must provide a certificate of creditable coverage and make certain statutory reports to the Department so long as the federal laws that require a certificate of creditable coverage are superseded by the prohibition on pre-existing condition exclusions.

Eliminates some restrictions on title insurance agent names. Title insurers are permitted to authorize the use of their corporate name or portion of the name to a title insurance agency.

Laws 2022, Chapter 288 (SB 1176): 340B Drug Programs; Prohibitions

Creates A.R.S. §§ 20-3341, 20-3342 and 20-3343

All insurance contracts that are issued, delivered, or renewed on or after January 1, 2024 for a third party that reimburses for "340B drugs" are prohibited from discriminating in reimbursement on the basis that the pharmacy dispenses a 340B drug, and from taking other specified actions on the basis that a pharmacy dispenses a 340B drug.

Laws 2022, Chapter 172 (SB 1204): Mortgage Brokers; Bankers; Qualifications

Amends A.R.S. §§ 6-901, 6-903, 6-971, 6-976; Creates ARS § 6-902.01

Defines “generally accepted accounting principles” as United States generally accepted accounting principles issued by the Financial Accounting Standards Board or the international financial reporting standards issued by the International Accounting Standards Board. A mortgage broker or commercial mortgage broker's parent company may apply for a certificate of exemption to utilize an Arizona non-resident employee of an affiliated entity or of the parent company to act as the Responsible Individual if certain requirements are met. The Responsible Individual for a commercial mortgage banker is no longer required to be an Arizona resident.

Laws 2022, Chapter 45 (SB 1394): DIFI; Business Name; Trade Name

Creates A.R.S. § 6-117; Amends ARS §§ 6-606, 6-714, 6-903, 6-943, 6-977, 6-991.02 and 6-282

An enterprise or a consumer lender is not required to obtain a separate license when doing business under an assumed name or a trade name if the enterprise or consumer lender notifies the Department of Insurance and Financial Institutions in writing, on a form prescribed by the Director, before using the assumed name or trade name. An enterprise or consumer lender is prohibited from using an assumed name or trade name that is so substantially similar to the assumed name or trade name of another licensee that it may cause confusion among the public, or an assumed name or trade name that tends to deceive or mislead the public as to the nature of business that the licensee conducts. These provisions **do not** apply to Collection Agencies.

Laws 2022, Chapter 147 (SB 1410): Auto Glass; repair; Penalties

Creates A.R.S. § 20-463.02

Establishes requirements for an automotive glass company or repair facility that conducts glass repair, replacement or "recalibration" on a vehicle equipped with an "advanced driver assistance system." The facility must provide the customer with an itemized description of the work to be done on the vehicle. If a recalibration was not performed or not completed successfully, the facility must inform the customer and the customer's insurer electronically or in writing. A facility is prohibited from billing or charging a customer or the customer's insurer for vehicle glass repair, replacement, or recalibration services that are not performed in accordance with the vehicle manufacturer's specifications. Violations are subject to a civil penalty of \$2,500 and subject to enforcement pursuant to Article 6 of Title 20, Chapter 2.

Laws 2022, Chapter 236 (SB 1580): Money Transmission; Money Transmitter Licensure

Repeals Title 6, Chapter 12, Article 1 by Adding a New Article 1; Amends A.R.S. §§ 6-1242, 6-1305, 13-2317, 41-5605; Repeals 6-1306

Repeals and replaces existing statutes regulating money transmission and licensure. Establishes a list of exemptions from money transmission regulations. Establishes related powers and duties of the Department (DIFI), including administering and enforcing this legislation. Authorizes DIFI to participate in multistate supervisory processes established between states. A person is prohibited from engaging in the business of money transmission without a license. Establishes license requirements and license application requirements. Establishes various reporting requirements and requires annual audited financial statements from each licensee. Establishes net worth requirements and surety bond requirements. Session law provides that a person who is licensed as a money transmitter under the repealed statute is not subject to the new statute if there are conflicts between the two, until the person renews the person's license or until six months after the effective date of this legislation, whichever is later.

REGULATORY BULLETIN 2022-01(INS)¹

Pursuant to Arizona Revised Statutes (“A.R.S.”) § [41-1091](#), the Arizona Department of Insurance and Financial Institutions (“Department”) occasionally issues Substantive Policy Statements to express the Department’s position on current industry practices and to provide the Department’s interpretation regarding Arizona law requirements. The Department’s Substantive Policy Statements are intended to promote a level playing field and uniform application of statutory provisions to consumers and industry stakeholders in Arizona.

I. Purpose

The purpose of this Substantive Policy Statement is to (1) adopt and publish the two standardized prior authorization request forms, as required by A.R.S. § 20-3406; and (2) to highlight Arizona’s prior authorization laws’ requirements.

II. Scope

This Substantive Policy Statement is intended to disseminate the two uniform prior authorization request forms and provide regulatory guidance to all individual and group health insurers, health care services organizations, disability insurers, hospital service corporations, medical service corporations, utilization review agents, insurance trade associates and all other interested parties.

III. Background

[HB2621](#) (Ch 115, Laws 2021), specifically [A.R.S. § 20-3406\(A\)](#), requires that on or before January 1, 2022, the Department approve two uniform prior authorization request forms for the following types of prior authorization requests:

1. Prescription drugs, devices and durable medical equipment, and
2. All other health care procedures, treatment and services.

The law further prescribes that any uniform prior authorization request forms approved by the Department must meet the following requirements:

- Not exceed two printed pages, although that does not apply to or include a provider's notes or documentation submitted in support of a prior authorization request.
- Meet the electronic submission and acceptance requirements prescribed by [A.R.S. § 20-3403](#).

¹ This Substantive Policy Statement is advisory only. A Substantive Policy Statement does not include internal procedural documents that only affect the internal procedures of the Agency, and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this Substantive Policy Statement does impose additional requirements or penalties on regulated parties you may petition the agency under A.R.S. § 41-1033 to review the Statement.

IV. Department Guidance

All health care services plans shall adopt, and providers shall use, the forms attached to this Substantive Policy Statement beginning January 1, 2023.

A. Development of the forms

HB2621 required the Department to seek input from a wide variety of stakeholders before adopting the final approved uniform prior authorization request forms. In developing draft forms for stakeholder input, the Department researched forms already adopted by other states that (1) had been developed utilizing robust stakeholder engagement, including those stakeholders from whom HB2621 requires the Department to seek input; (2) met the Department's statutory two-page directive; and, (3) have been in use for over a year in the respective states. The Department then widely circulated the draft versions of the forms to obtain feedback from the following stakeholders as required by HB2621: health care providers, health care services plans, utilization review agents, pharmacists and pharmacy benefit managers. All feedback was reviewed and incorporated into the forms as long as it did not conflict with statutory requirements or functionality.

B. Use of the forms

The uniform prior authorization request forms attached to this Substantive Policy Statement meet all requirements prescribed under Arizona's prior authorizations laws. Pursuant to [A.R.S. § 20-3406\(A\)](#), all providers shall exclusively use the forms attached to this Substantive Policy Statement and all health care services plans and their utilization review agents shall only accept and process the forms attached here. Prior authorization requests that are submitted on forms other than these approved forms on or after January 1, 2023 are invalid pursuant to [A.R.S. § 20-3406\(A\)](#). The Department acknowledges that health care services plans may seek to make non-substantive changes, such as appropriately identifying the applicable insurer on any Department-approved form or adding scrolling text fields for allowing the collection of sufficient information, however, any changes to the forms cannot substantively alter the content and layout of the form and must remain consistent with the attached versions.

[A.R.S. § 20-3403](#) requires all health care services plans to make the Department-approved uniform prior authorization request forms accessible to providers through an electronic software system and allow for at least one other form of access to request a prior authorization, including telephone, fax or other electronic means. Furthermore, [A.R.S. § 20-3403\(A\)\(4\)](#) requires the health care service plans and their utilization agents to implement emergency after-hours procedures to request a prior authorization.

Pursuant to subsections (A) and (B) of [A.R.S. § 20-3403](#), a health care services plan or its utilization review agent shall accept and respond to prior authorization requests for all health care services (including prescriptions) through a secure electronic transmission. However, a health care services plan may enter into a contractual arrangement with a provider and process and respond to prior authorization requests that are not submitted electronically if it shows the financial hardship that electronic submission or prior authorization requests would create for the provider or because connectivity is limited or unavailable where the provider is located. [A.R.S. § 20-3403\(C\)](#).

In accordance with [A.R.S. § 20-3403\(A\)](#), health care services plans, or their utilization review agents, must also make a listing of all prior authorization requirements available via a website and/or a provider portal. The listing shall clearly identify all health care services, drugs or devices to which a prior authorization requirement exists, including specific information or documentation that a provider must submit in order for the prior authorization request to be considered complete.

Applicable insurers are urged to provide comprehensive instructions to accompany the prior authorization request forms to facilitate understanding of the data being requested, the process for submitting the requests, and the insurer's process for reviewing and approving the requests. Finally, health care services plans and their utilization review agents are reminded to review [A.R.S. § 20-3404](#) for information on the deadlines and notification requirements for processing/approving provider prior authorization requests.

C. Definitions

The following terms used in this Substantive Policy Statement have the same meaning as prescribed under [A.R.S. §§ 20-3401](#) and [20-2501](#).

"Authorization" means a determination by a health care services plan or its utilization review agent that a health care service has been reviewed and, based on the information provided, satisfies the health care services plan's requirements for medical necessity and appropriateness and that payment under the plan will be made for that health care service. Authorization does not include any different or additional procedures, services or treatments beyond those specifically reviewed and approved by the health care services plan.

"Health care service" means a health care procedure, treatment or service that is covered under a health care services plan, including a prescription drug, device or durable medical equipment that is covered under a health care services plan.

"Health care services plan" is a plan offered by a disability insurer, group disability insurer, blanket disability insurer, health care services organization, hospital service corporation or medical service corporation that contractually agrees to pay or make reimbursements for health care services expenses for one or more individuals residing in this state. Benefits under limited benefit plans defined in [A.R.S. § 20-1137](#) are not health care service plans for purposes of providing prior authorization.

"Medically necessary" or "medical necessity" means covered health care services provided by a licensed provider acting within the provider's scope of practice in this state to prevent or treat disease, disability or other adverse conditions or their progression or to prolong life. It does not include services that are experimental or investigational or prescriptions that are prescribed off label.

"Prior authorization requirement" means a practice implemented by a health care services plan or its utilization review agent in which coverage of a health care service is dependent on an enrollee or a provider obtaining approval from the health care services plan before the service is performed, received or prescribed, as applicable. Prior authorization review includes preadmission review, pretreatment review, prospective review or utilization review procedures conducted by a health care services plan or its utilization review agent before providing a health care service, but it excludes case management or step therapy protocols.

"Provider" means a physician, health care institution or other person or entity that is licensed or otherwise authorized to furnish health care services in this state.

"Utilization review agent" has the same meaning prescribed in A.R.S. § 20-2501.

FISCAL REPORTS

The Department of Insurance is responsible for administering the following funds:

- **General Fund:** Revenues from insurance premium taxes, fees, assessments, civil penalties, and other sources, summarized on the following page, pay for state government programs and services. The Department's General Fund appropriation, shown in the Operating Expenses exhibit, pays the Department's general operating costs.
- **Insurance Examiners' Revolving Fund:** This fund recoups expenses associated with examining the affairs, transactions, accounts, records and assets of insurers and other regulated entities. A.R.S. § 20-159(B).
- **Assessments Fund for Voluntary Plans:** The director may assess insurers authorized to write liability insurance to pay the costs of creating a voluntary plan that provides a mechanism for covering risks for which insurance is otherwise not readily available, and that encourages use of the voluntary insurance market as a condition of placing coverage through the plan. A.R.S. § 20-2201(D). NOTE: Laws 2018, Ch. 279 (SB 1524), § 41 provided that in Fiscal Years 2019 and 2020, the Department of Insurance may use monies in this fund to pay for the cost of administering the out-of-network claim dispute resolution process prescribed by ARS Title 20, Chapter 20, Article 2.
- **The Guaranty Funds:** Receipts from the estates of insolvent insurers, from assessments levied against solvent insurers, and from investment income, pay appropriate policyholder claims of insolvent insurers in accordance with and as limited by Arizona law. A.R.S. §§ 20-661, et seq., and A.R.S. §§ 20-681, et seq. NOTE: The Superior Court of Arizona determined that the monies held by the Guaranty Funds are not public state funds subject to legislative appropriation, but are instead, private funds held in a custodial capacity for particular purposes by the Guaranty Funds (CV2009-091989: Arizona Property and Casualty Insurance Guaranty Fund and Arizona Life and Disability Insurance Guaranty Fund v. State of Arizona, et al.).
- **Insurance Department Fingerprint Fund:** Fees collected from license applicants required to submit fingerprint cards are passed through to the Department of Public Safety to pay for state and federal criminal background checks. A.R.S. §§ 20-142(E) and 41-1750(G). Because passed-through funds are not operating expenses, they are omitted from the Operating Expenses exhibit in this report.
- **Captive Insurance Regulatory and Supervision Fund:** License and renewal fees pay the costs of administering the Department's captive insurance program and for reasonable expenses incurred in promoting Arizona's captive insurance industry. A.R.S. § 20-1098.18.
- **Receivership Liquidation Fund:** Funds obtained through court orders from the estates of insurers in receivership pay the common administrative costs of the receiverships overseen by the Department. A.R.S. § 20-648.
- **Health Care Appeals Fund:** Fees levied on health care insurers pay the costs of implementing and maintaining the external independent review process. A.R.S. §§ 20-2540 and 20-2541. An appealing member's health care insurer pays for independent review organizations to review health care appeals involving issues of medical necessity. A.R.S. § 20-2540(B).
- **Financial Surveillance Fund:** Assessments on specified Arizona-domiciled insurers pay the costs of employing financial analysts who conduct financial surveillance of domestic insurers. A.R.S. § 20-156(F) and (G).
