

General Permit Stipulations for Commercial Use Permits Alaska State Parks

The following stipulations apply to all Non-Competitive Park Use Permits for Commercial Activities issued by the Division of Parks and Outdoor Recreation (DPOR). Noncompliance with the terms described below may result in a citation being issued to the operator for violation of 11 AAC 18.030(c) and the suspension or revocation of this permit.

1. **Authorized Officer.** The Authorized Officer (AO) for the State of Alaska (State), Department of Natural Resources (DNR), Division of Parks and Outdoor Recreation (DPOR), is the Deputy Director or designee.
2. **Payment of Commercial Use Permit Fees.** Commercial Use Permit fees must be paid in full prior to issuance of any permit. Permit fees are specified by the Director's Order and available on the DPOR website: <https://dnr.alaska.gov/parks/permit/index.htm>.
3. **Payment of Per Client Fees / End of Season Reporting.** The permittee shall submit an End of Season (EOS) Report by December 31st of the permit year, accurately documenting activities on lands and waters covered by this permit. For interest on debts owed for fees, the Division has the discretion to charge a flat fee based on a Director's Order or to charge interest in the amount of 10.5% annually on debts owed to the state pursuant to AS 45.45.010. Permittee's annual commercial use permit will not be issued for subsequent years until the Division receives EOS Reports and payment of all applicable per-client fees for prior years. EOS reporting is required whether or not you conducted commercial activities in a unit of the State Park system. No per-client fee will be charged for persons who are transported by water or air taxi services directly to or from private property inholdings within a State Park or any government employee on official business who is transported by a commercial operator. If multiple commercial permittees (businesses) provide services to a single client, each permittee is responsible for payment of the use fees for the services they provide. Commercial permittees providing multiple services to a client on the same day will only be charged one fee per day per client. In this situation, the fee for the service with the highest fee applies.

If paying by other methods, please send a record of per-client use days to parkpermitting@alaska.gov for verification of use.

4. **Insurance Required.** Without limiting indemnification, the liability insurance required of commercial operators that provide commercial services in State Park Units shall secure or purchase at its own expense and maintain in force at all times during the term of this permit, liability coverage and limits consistent with what is professionally recommended as adequate to protect the permittee (the insured) and Grantor (the State, its officers, agents and employees) from the liability exposures of ALL the insured's operations on state land. Certificates of Insurance (COI) must be furnished to the AO prior to the issuance of this permit and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. COI should be provided on an ACORD Insurance Form. The Permittee must provide for a 60-day prior notice to the State before they cancel, renew, or make material changes to the conditions to the policy. Failure to furnish satisfactory evidence of insurance, or lapse of the policy, are material breaches of this permit and shall be grounds, at the option of the State, for termination of the permit. All insurance policies shall comply with, and be issued by, insurers licensed to transact the business of insurance under Alaska Statute, Title 21. The policy shall be written on an "occurrence" form and shall not be written as a "claims-made" form unless specifically reviewed and agreed to by the Division of Risk Management, Department of Administration. The State must be named as an additional named insured on the policy with respect to the operations of the permittee on or in conjunction with the permitted premises. **A copy must be sent to:** parkpermitting@alaska.gov.
