If the total daily amount does not equal a CONUS amount listed in table, you may manually calculate meal period prorated amounts based on the percentages supplied. The Standard CONUS Rate (\$59) applies to all cities or counties not listed on the Federal GSA table.

\*\*\*\* For locations where a short-term traveler is expected to prepare their own meals (i.e. no restaurants within reasonable driving distance), the reimbursement shall be at the long-term rate.
