COMMUNICATION FROM ISRAEL

The following communication, dated 16 April 1986, received from the Permanent Mission of Israel is circulated to participating countries subject to the requirements of confidentiality.

With reference to the procedures for review of schedules of concessions within the framework of the Protocol Relating to Trade Negotiations Among Developing Countries as approved on 18 May 1983 (Document CPC/69), I have the honour to inform you that the Government of Israel would be disposed to include in its schedule of concessions, subject to negotiations, the attached products.

It should be stressed that in view of the Government of Israel tabling the attached list of offers does not prejudice recourse to the traditional request and offer procedure of negotiation in which Israel has shown its readiness to participate.

Suggestions for products that might be negotiated under the Protocol Relating to Trade Negotiations Among Developing Countries
