GATT Office Circular No. 175

CHANGES IN THE ORGANIZATIONAL STRUCTURE OF THE SECRETARIAT  
AND IN THE ALLOCATION OF PERSONNEL TO DIVISIONS

1. By agreement with the Director-General designate the Director-General has decided not to make, for the time being, a definitive appointment to the vacant Directorship of the General Division. He has therefore arranged, pending such an appointment by the new Director-General, and with a view to keeping the Trade Policy Department up to strength, that on an interim basis, Mr. H.F. Reed will assume the direction of the General Division.
2. On a similar interim basis the Information and Library Service will report to Mr. F.A. Haight until definitive arrangements are made by the Director-General.
3. These arrangements will take effect from 1 January 1968.

E. Wyndham White  
Director-General
