16 November 1987

GATT Office Circular No. 285

All interested GATT staff are welcome to attend the events to be held at the CIGC on 30 November to mark GATT's fortieth anniversary.

Directors are therefore kindly requested to release the members of their staff wishing to attend.

All participants will require a badge to be admitted to the CIGC. Divisional secretaries should inform Miss Weigel (ext. 5002) as soon as possible of the number of badges required in their division or service, in addition to those delivered by the Conference Office for staff attending the Contracting Parties session.

The provisional programme can be consulted in your divisional secretary's office.

Arthur Dunkel
Director-General
