GATT Office Circular No. 44/Rev.1

LIST OF LIAISON OFFICERS AND REPRESENTATIVES

1. The persons listed below are to receive a copy of all official communications sent directly to their government.
2. Although airgrams are sent only to ministers for foreign affairs, etc., a copy marked "for information" is to be addressed to each of the persons listed below. For the convenience of representatives, care should be taken that the copy of the airgram be sent in the language indicated by the address below even though the original may be sent to his government in the other language.
3. For the convenience of liaison officers and representatives, an extra copy (stamped "copy for information") of any correspondence sent directly to the persons listed below should be prepared on headed airmail stationery, and it should be attached to and despatched with the original. It should be remembered that, in respect of any correspondence of which a copy is to be sent to anyone outside the GATT secretariat, the copy should be prepared on headed air mail stationery and stamped "copy for information" so as to avoid any confusion in the mind of the recipient as to its origin or purpose. Likewise, any attachment to a letter of this nature which heretofore was despatched in one copy should be sent in future in duplicate.
4. It will be remembered that the Chairman of the CONTRACTING PARTIES receives a copy of all official correspondence, including airgrams, secret or otherwise, that is despatched to all contracting parties; however, it is not necessary to send him copies of letters going only to one or several contracting parties. His address is:
