

GENERAL AGREEMENT ON TARIFFS AND TRADE

GATT Liberalization Communiqué No. 66

DENMARK EXTENDS IMPORT LIBERALIZATION

The Danish authorities have informed the GATT secretariat that as of 1 January 1962 liberalization towards countries within the Danish free-list area has been extended to include the following items:

Deep-frozen fish fillets

Cranberry, fresh

Pyrotechnic articles, except for life-saving purposes or for distress signals (previously liberalized)

Stencils

Electric accumulators, except alkaline accumulators and parts of accumulators (previously liberalized)

Pipe and reed organs, including harmoniums and the like

Brushes of a kind used as parts of machines
