3. MEETINGS OF THE COMMITTEE

Since the eighth annual review, the Committee has held two meetings, on 21 March 1989 [and on 10 October 1989]. The minutes of these meetings are contained respectively in documents VAL/M/24 [and VAL/M/25]. The Chairman's notes on these meetings are in documents L/6495 and [L/----], respectively.

4. NATIONAL LEGISLATION PRESENTED

Article 25 of the Agreement requires each Party to inform the Committee of any changes in its laws and regulations relevant to the Agreement and in the administration of such laws and regulations. At its first meeting the Committee agreed on procedures for the submission of the complete texts of national legislation (VAL/M/1, paragraph 37).

Since the eighth annual review, the following additional texts of national legislation, regulations and administrative procedures have been submitted:

| Argentina | | VAL/1/Add.22/Suppl.2 |
|----------------|--|----------------------|
| Australia | | VAL/1/Add.14/Suppl.3 |
| Korea, Rep. of | | VAL/1/Add.19/Suppl.3 |

At its second meeting, the Committee had decided that Parties should provide written responses to a checklist of issues concerning their national laws, regulations etc. (VAL/M/2, paragraph 52). At its meeting of 13 November 1985, the Committee had added two questions to the checklist (VAL/M/14, paragraph 55).

A complete listing of national legislation and replies to the checklist of issues communicated to the Committee is at Annex I of this note.

The Committee has continued its detailed consideration of national implementing legislation. During the year, it has concluded its examination of the legislation of India.

Information on the status of the application of the Decision on the Treatment of Interest Charges in the Customs Value of Imported Goods (VAL/6/Rev.1) and of paragraph 2 of the Decision on the Valuation of Carrier Media Bearing Software for Data Processing Equipment (VAL/8 and Add.1), made available by Parties is summarized in document VAL/W/34/Rev.4. At the meeting of 11 May 1987, it was agreed that Parties which had not yet done so, should furnish the required information on date from which the Decision on interest charges would be applied.

It might also be noted that the Technical Committee has established procedures for the dissemination of information on publications relating to national legislation where the texts in question are not covered by the procedures of the Committee on Customs Valuation, and for the circulation of declaration forms for customs value. The Technical Committee also publishes an Index of rulings and conclusions on valuation questions issued by Parties. Details of information available through the Technical Committee are at Annex II of this note.

5. <u>AMENDMENTS, INTERPRETATIONS, RECTIFICATIONS, ETC. OF THE TEXT OF THE</u> <u>AGREEMENT</u>

During the year under review, the Committee has [discussed the problem of linguistic consistency in the first sentence of paragraph 1 of both the Note to Article 2 and the Note to Article 3 of the Agreement.]

Texts adopted by the Technical Committee in 1989 are listed in Section 7.

6. TECHNICAL ASSISTANCE

Technical assistance aimed at providing information to assist countries in their consideration of joining the Agreement and at helping countries in their preparations for the application of the Agreement has continued to be a matter of high priority to Parties, the Committee on Customs Valuation and the Technical Committee. Technical assistance is being made available to both developing country Parties and other developing countries interested in the Agreement.

Information on technical assistance activities relating to the Agreement is contained in a working document (VAL/W/29/Rev.4) which reproduces information contained in CCC document 35.210. Further information was provided at the Committee meeting of 21 March on an information seminar organized by the Government of Mexico in March 1989 (VAL/M/24, paragraphs 54-55).

7. <u>INFORMATION AND ADVICE FROM THE TECHNICAL COMMITTEE, AND GENERAL</u> REPORT ON THE TECHNICAL COMMITTEE

Detailed oral reports on the work of the seventeenth and [eighteenth sessions] of the Technical Committee on Customs Valuation, held 14-17 March 1989 and [2-6 October 1989 respectively,] were presented by the Chairpersons of that Committee to the meetings of the Committee on Customs Valuation of 21 March and [10 October 1989,] respectively. At its March meeting the Technical Committee adopted the following advisory opinion.

 Conversion of currency in cases where the contract provides for a fixed rate of exchange. [The text of this advisory opinion was approved at the June 1989 session of the Customs Co-operation Council.]

The Committee on Customs Valuation took note of these reports and expressed its appreciation of the continued valuable work of the Technical Committee.

8. <u>SUBSTANTIAL DIFFICULTIES ENCOUNTERED BY PARTIES IN APPLYING THE</u> AGREEMENT

As in previous years of operation of the Agreement, no Party has reported any substantial difficulty with applying the Agreement.

9. CONSULTATION AND DISPUTE SETTLEMENT

The secretariat is not aware of any Party that has requested consultations under Article 19 of the Agreement. The provisions of Article 20 have not been resorted to.

10. PANELISTS

In accordance with paragraph 2 of Annex III of the Agreement, which states that each Party shall be invited to indicate at the beginning of every year to the Chairman of the Committee the name(s) of one or two governmental experts whom the Parties would be willing to make available for panel work, the following Parties have nominated persons who would be available to serve on panels in 1989: Canada, the European Communities, Finland, Hong Kong, Japan, the Republic of Korea, Norway, Sweden and the United States.

11. OTHER MATTERS RELATING TO IMPLEMENTATION

(i) Use of various valuation methods by Parties

It will be recalled that, at its meeting of 10-11 November 1983, the Committee agreed that a new data collection exercise should be postponed until additional countries were applying the Agreement, and decided to revert to this question at an appropriate future meeting. The question was not taken up in 1989.

12. ANNUAL REPORT TO THE CONTRACTING PARTIES

The Committee adopted its annual report to the CONTRACTING PARTIES at its meeting of October 1989 in accordance with the requirements of Article 26 of the Agreement (L/----).

13. <u>GENERAL APPRECIATION OF EXPERIENCE WITH IMPLEMENTATION AND</u> OPERATION OF THE AGREEMENT

As in previous years, Parties have indicated general satisfaction with their experience with the operation and implementation of the Agreement, which has continued to contribute towards the realization of its objectives and to creating improved conditions for the conduct of international trade. While some two-thirds (see Annex III) of international trade is already subject to the provisions of the Agreement, this contribution would be enhanced by the adoption of the Agreement by more countries.
