General Instructions - Adoption Tax Credit

Individuals and business entities may claim a tax credit for their total nonrecurring adoption expenses. Missouri residents may claim up to \$10,000 per child. You may claim 50% of the credit in the year the child is placed in the home and 50% of the credit may be claimed at the time the adoption is finalized. If the amount of credit claimed exceeds the tax liability, the remaining credit may be claimed on the subsequent 4 years. This credit is non-refundable.

The cumulative amount of adoption tax credits claimed by all taxpayers may not exceed \$6 million in any fiscal year, per [Section 135.327 RSMo.](#) If the cumulative amount of credits claimed exceed the limitation, priority shall be given to applications to claim the tax credit for special needs children who are residents or wards of residents of this state at the time the adoption is initiated.

**Special Needs Child:**

A child for whom it has been determined by the Missouri Department of Social Services, Children’s Division, a child-placing agency licensed by the state, or a court of competent jurisdiction to be a child who has a specific factor or condition such as age, membership in a sibling group, medical condition or diagnosis, or disability because of which it is reasonable to conclude that such child cannot be easily placed with adoptive parents.

**Claim the Adoption Tax Credit:**

Attach Form MO-ATC and [Form MO-TC](#) to the tax return each year

the adoption tax credit is claimed. You may be eligible to claim an additional federal adoption tax credit in subsequent years, which will reduce your Missouri adoption tax credit and may result in a billing. When first claiming the credit as the result of a sale or assignment, attach a completed Form MO-TF and a copy of the original Form MO-ATC completed by the adoptive parents, as well as Part A of the revised form. If the Adoption Tax Credit is sold, it must be sold for 75% of the value or greater.

**Due Date:**

To claim the ATC you must file your return between July 1 and April 15 of each fiscal year. In order to claim the Adoption Tax Credit you must provide Federal Form 1040, Federal Form 8839, Form MO-TC, and Form MO-ATC.

[Missouri Revised Statutes 135.325 through 135.339](#) do not provide provisions to waive interest and penalties due to the apportionment of the Adoption Tax Credit.

If your return would result in a balance due without considering the application of the Adoption Tax Credit, the Department recommends paying the amount of tax covered by the Adoption Tax Credit by the return due date to avoid the accrual of interest and penalties on the unpaid tax. Once the Adoption Tax Credit is apportioned for the fiscal year, any amount of payment not due to the Department will be refunded.
