

Cloth Face Coverings for Essential Air Workers

CONTACT: Linda Bustamante, linda.bustamante@alaska.gov, 907-266-2596

FEMA to Provide Cloth Face Coverings to Essential Air Workers The Division of Statewide Aviation to distribute 5,000 masks.

FEMA has provided cloth face coverings for essential air workers in Alaska. The Alaska Department of Transportation & Public Facilities - Division of Statewide Aviation received 5,000 masks and will be distributing them on a first come first served basis across the state. Please consider the needs of your aviation company or organization and limit your request so that we may provide this protection as widely as possible. To request cloth face coverings, please email the following information to: statewideaviation@alaska.gov

Requester Name:
Business Name:
Mailing Address:
Email:
Phone Number:
Airport Name:
Number of masks requested:

Note: FEMA is also distributing masks to Part 139 airports. If you are located at one of the airports listed below, instead of requesting masks as outlined above please reach out to the airport manager locally, who will be receiving a separate shipment for those locations. This will help DOT&PF focus their efforts on those aviation workers at the smaller airports.
