This Directive complements, and is used in accordance with the terms and provisions of the above referenced Contract, and shall not serve to authorize a change in Contractual responsibility. If the CONTRACTOR believes that any condition in this document may affect Contract Time, Price, or Requirement the CONTRACTOR shall immediately notify the DEPARTMENT of such condition. Contract Performance is required as follows:

**DESCRIPTION** (Use Continuation Sheet 25D-065 as Required)

This Directive authorizes Time and Materials compensation under Item P641.050.0000 to complete the following work:

- 1.) Temporarily covering soil stockpiles in accordance with the SWPPP. This includes but is not limited to plastic sheets, ropes, sandbags, and other associated items for covering pulverized RAP and organic stockpiles.
- 2.) Dust control in accordance with the SWPPP. This generally includes the water truck and operator to moisten dry areas that are disturbed and result in dust clouds. Dust clouds may be generated during cold plaining, pulverizing, and demolition. Watering the disturbed surfaces is not required for activities that do not create dust clouds.
