SUBJECT: Chief Engineer's Directive –
Alaska Utilities Manual

The 2022 Alaska Utilities Manual is adopted effective 17 June 2022.

This Manual update incorporates changes and updates delineated in the manual's Foreword and supersedes all prior versions. Update your copy and ensure distribution to consultants working on DOT&PF Projects.

You can download the current edition at <https://dot.alaska.gov/stwddes/dcsrow/>.

Please route questions regarding this revision, through Regional Utilities Chiefs, to Heather O'Claray, Statewide Right-of-Way Chief, at heather.oclaray@alaska.gov or 907.465.6954.
