

**Department of Transportation & Public
Facilities**
*Statewide Design & Engineering Services
Division*

TO: SEE DISTRIBUTION

DATE: September 27, 2023

FROM: Kirk Miller, P.E. *KDM*
Interim Chief Engineer

SUBJECT: Chief Engineer's
Directive –FAA DBE
Special Provision

The attached special provisions ASP-7A revises the DBE special provision ASP-7 dated December 2021. Use this special provisions on all FAA-funded airport projects with a bid opening after September 27, 2023.

ASP-7A implements a race-neutral DBE program statewide. ASP-8, the race-conscious DBE program special provision for Northern Region, is rescinded for projects with a bid opening after the date of this directive. Currently advertising projects should replace ASP-7 or ASP-8 by addendum.

Alaska Standard Specifications for Airport Construction and Special Provisions are available online at:
