STATEMENT

by the Spokesperson on ISIL atrocities in Iraq

"We express our sincere condolences to the families of the tribesmen who were killed in recent ISIL atrocities in the Anbar province, as well as to the families of the victims of the terrorist attacks launched in recent days in Baghdad.

We condemn terrorist acts of any kind and deplore the loss of lives and the distress caused by these savage atrocities against tribesmen defending their towns and innocent citizens of Baghdad. There can be no impunity for any such atrocities; those responsible must be held accountable.

The international efforts to defeat ISIL and other terrorist groups are driven by the firm intention to put an end to such senseless killings."
