

ERIC Laws, Policies, and Programs Identifiers

January 2023

A Publication of Institute of Education Sciences

The ERIC Identifiers are lists of standardized proper nouns representing locations, assessments and surveys, and laws, policies, and programs. Like Descriptors from the ERIC Thesaurus, they are assigned to ERIC records to describe the subject content of a document.

Laws, Policies, and Programs Identifiers include federal, state, and international laws, educational policies and programs, Constitutional amendments, and Supreme Court cases. Laws, Policies, and Programs Identifiers can be used to filter your search results or in an advanced search by using the law or lawx tags.
