## Agenda for student program

**1:45 PM – 3:15 PM A Federal Career Panel – Insight into Federal Careers as Public Servants**

Description: The federal government has an impact on the lives of every American. If you are interested in making a difference and building a rewarding career then pursuing a career in the federal government might be right for you. This session will feature panelists from (list various agencies) who will share their experiences working in the federal agencies.

**3:15 PM – 3:30 PM Break \***

**3:30 PM – 5:00 PM Federal Employment – The Pathways to Federal Employment**

Description: Working as a Federal Employee is a rewarding experience with many opportunities for individual development as well as serving our communities. The Pathways Programs offer clear paths to Federal internships for students from high school through post-graduate school and to careers for recent graduates, and provide meaningful training and career development opportunities for individuals who are at the beginning of their Federal service.

Finding and applying for these great jobs can seem daunting. In this session, we will take the mystery out of USAJOBS.gov. Students will learn about the application process from start to finish, as well as learn about the opportunities afforded current students and recent college graduates, resume writing, and interview tips.

## Dear Colleague:

How often do you see a vibrant and energetic organization of professionals make a concerted effort to reach out to YOU because of a strong belief in your future and in what you have to offer? As you look back on the past, how frequently have you personally experienced unique and priceless chances to make a difference in the lives of those around you while paving the way for an even brighter future for yourself! Well, that time has now come ... it is right here, right now!

The Federal Asian/Pacific American Council, now holding its National Leadership Training Program, is looking for YOU! Here's what we have to offer:

FREE admission for students to attend not only the highly anticipated career fair on public service but also a number of informative workshops and plenary sessions designed to promote success.

Special opportunity to meet at a career fair with representatives from civilian agencies and all military services from across the Federal Government who are eager to talk with you about joining them either as interns or employees (and yes, they are specifically reaching out to members of the Asian/Pacific Islander community!).

New and exciting possibilities to network and build powerful working relationships with role models and leaders in your chosen area of career interest.

The ability to put your own career path on the fast track as you gain insight from seasoned and accomplished professionals whose life lessons can help you leverage your time by learning from the experiences of those who have come before you, thus helping to prevent you from wasting invaluable time in this fast paced world.

The awesome opportunity to make new friends and to create new memories that will last a lifetime!

Our goal is to help the next generation of leaders by being of support to you! In this economy, you owe it to yourself to see about all the benefits and advantages to joining us as part of the rewarding careers that make a difference!
