**The above estimated Cost-of-Attendance (COA)/Budget represents the projected total cost to attend Virginia Tech for each academic year indicated.**

Books, Transportation, and Personal are variable, out-of-pocket expenses that are not part of your billing statement. These costs will vary by student. Loan fees are the average amount of loan fees incurred by all students for Federal Direct Loan funds during the previous academic year.

Most Professional students that complete a FAFSA are eligible for an Unsubsidized Direct Loan of \$40,500 per year. Additional funding, up to the full COA less other financial aid can be obtained through Graduate PLUS Loans. Scholarships count as 'other financial aid' and can reduce initial loan awards.
