The information you provide will be compared to the Free Application for Federal Student Aid (FAFSA). If there are differences, our office will submit corrections to your FAFSA electronically. If necessary, our office will request additional information.

Please verify your parent's marital status **at the time you filed the FAFSA**. If your parents are divorced or separated, answer the question below about the parent you lived with more during the past 12 months. If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent. If this parent is remarried as of today, answer the questions about that parent and their spouse.

At the time that I filled out my 2023-2024 FAFSA, my parents' marital status was:

- Never Married
- Unmarried and both legal parents living together
- Divorced
- Widowed
- Married / Remarried
- Separated

If one of these 4 marital statuses is selected you must enter the effective date of the marital status below.
